

Boggs Says Father Left F.B.I. Dossiers

Washington, Jan. 30 (AP)

(Dossiers were compiled by the FBI on critics of the Warren Commission.)
Boggs says his father gave him the material in late 1970 and he has kept it in a safe deposit box. Story gives no indication of reason for Boggs' statement. Father, Rep. Hale Boggs of Louisiana, "disappeared in October, 1972, while on an airplane flight in Alaska.")

Son's name is Tom H. Boggs; a Washington lawyer.
