Wichita Falls, Tex., Dec. 8 (AP)- Robert Oswald wants the American people to have additional details of why and how his brother, Lee Harvey Oswald, was named by the Warren Commission as the assassin of President Kennedy.

He says he plans to disclose many of the whys in a book he now is writing about Lee.

But, the 32-year-old father of two said in an interview here yesterday, the public needs more details from the Warren Commission report.

Oswald, area sales manager for a brick company, gave the Fort Worth Star-Telegram a lengthy interview after he said he believed that announced plans for the second Jack Ruby trial in Wichita Falls would once again place him in prominence he has avoided for the last three years.

Robert has become the almost forgotten Oswald in the assassination case since his younger brother, Lee, was slain by Ruby Nov. 24, 1963.

He has talked to reporters hardly at all since that date, limiting his contacts with the case to a brief statement after the Warren Commission report was issued in September, 1964.

Other family members, Marina, Lee's widow, since remarried, and Marguerite, his mother, frequently have been in the news in the ensuing months.

A second brother, John Pic, an Air Force sergeant in San Antonio, has managed also to remain out of the public eye.

Oswald said he agrees with the Warren report conclusion that Lee acted alone when President Kennedy was assassinated in Dallas Nov. 22, 1963.

But he said the public's confusion about the report shows the need for additional details.

Oswald said he did not ask for a recalling of the Warren Commission or the reopening of investigation into the assassination, but that some sort of a detailed government report should be made to the public.

Oswald moved his family to this north Texas city in the summer of 1964.

The announcement Tuesday that Ruby's second trial will be held in Wichita Falls in mid-February or early March. Ruby's conviction and death sentence were overturned by the Texas Court of Criminal Appeals.

"It doesn't bother me personally to have the trial here in Wichita Falls, but for my family it is unfortunate," he said.
