

# Stump Water

By PENN JONES JR.

Roger Craig and I had a busy time in Los Angeles last week. Here is a partial list of the TV and radio shows in which we were guests.

Station KPFK with host Elliot Mintz from 11 p.m. Saturday to 1 a.m. Monday morning. Interview with Art Kunkin of the Los Angeles Free Press at noon Monday. KTTV at 7 p.m. for the taping of the Joe Pyne show. Otto Premminger was the substitute host. As far as we were concerned, it turned into a nothing show. Otto did all the talking.

Tuesday: 1 a.m. with radio station KLAC and Bud Haley. We got tired at 3 a.m. and can-

celled the rest of the show which was scheduled till 5 a.m.

Tuesday afternoon we both talked to students of UCLA, sponsored by the Citizens Inquiry headed by Steve Burton. In fact this entire tour was arranged by the Citizens Committee of Inquiry which is composed of students and other interested youth.

On Wednesday we had a live TV show with Stan Behrman and Maria Cole, and we were invited to return on Thursday to continue the conversations with these two hosts. Maria Cole is the widow of Nat King Cole, and a very beautiful and charming person.

On Thursday night we had a very successful lecture and question period at UCLA's Wayburn Hall with approximately 400 or more present.

On Friday Roger and my wife flew back to Texas while I went to San Francisco to participate on the Joe Dolan TV show, and visit with the Citizen's Committee of Inquiry there and returned home on Saturday.

We continue to try to let you know when our Joe Pyne show will be played in this area. Sorry we can not be specific.

Tonight we do a radio show by telephone from Midlothian to St. Petersburg, Fla. This is the second show we have done on this station in three weeks.
