LETTER TO THE EDITOR

Bowie, Maryland

Mr. Penn Jones Jr., editor
Midlothian Mirror
Midlothian, Texas

Dear Mr. Jones,

I just cannot express my appreciation when I received your book. In reading it I found it to be very interesting and rather startling. Your work on the Kennedy assassination is most important and I praise and thank you for your gratifying research where there are so many obstacles. I only hope that you will continue your work for the sake of this country.

Yours truly,
Margaret Rams
