

That Times reporting of the fact that our No. 3 Man in Saigon was CIA was a real cute way of saying it without saying it...And if you saved it, if the Times reporting of the Panther acquittal in N.O, adds anything to what the States carried, I'd appreciate it. The judge is the one Garrison had appointed vice Charles Ward. I suspect Bertal, who is, except in his short body, a lightweight, is a racist. A lightweight racist was the ideal man to prosecute that case if the D.A. would not have been too disappointed with an acquittal. In a city and an office where laziness is respected, Numa is respectable. H
