12/22/71 Dear Jen, I have the following T-P stories, so thanks but don't copy for me: Tarleton's "DA Looks to New Fight"; "Sought Support of Garrison, Alcock Says" "Garrison, Nine Others, Deny guilt". My source didn't date. ...In Balt. all day and finally have a lawyer in my damage suit. We like him. Large firm, also, reputedly as good as in city. How did I finally get a lawyer, when I can't pay him a retainer? Through the former prosecutor, natch! Only the impossible with us! Reliving even a slight part of it was kind of rough on Dil. Best regards, HW
