

NOV 2 1971

11/2--Having perhaps conveyed a sense of urgency to you about my concern over the potential for evil and damage to what we seek if any pathologist, especially Cyril, is today given access to the autopsy film, this is to report what - may not have, that my Senator is phoning Marshall, who appears to be a friend of his, to warn him of my belief of the possibilities. I had a call on it today. They appear not to have gotten around to it so when the time came, I also wrote Teddy's Adm. Ass't. He'll probably think I'm some kind of nut, but I did try.

Can a midwest farm boy remember a November when irises are budding for bloom, when the temp. got to 84? I spent a couple of hours in the fresh air raking leaves. The only reason I wore a shirt was to keep the sweat off my glasses.

I'm preparing a statement for the Senate Judiciary Committee on the Powell nomination. It is really on the ABA. I doubt they'll hear me, and they may not even include it in the record. Or they may work me over. But it will make a record. WW 77ff.

Involving three ABA presidents is nice- and a prospective Supreme Court nominee who didn't make it, too, as you'll see. Best, H
