Have NYTimes News Service
9/5 from Denver, by Rip-
ley, on Kaplan case, so if
you planned to copy, do not
bother. Fascinating new
details and characters.
JG thought Joel was some-
how involved in LHO's
Mexican trip, which would
be a considerable accompi-

sidering JK was already in
jail and it is known that
most of LHO's time can be
accounted for without
that, if ti could have
served any purpose.
