If you have any interest in the Texas-La. arrests re munitions/anti-Castro of which I've written to ask watch for the names, one seems likely part of the deMohrenschildt story, 9h213, where the Harper name is not asked by the consistent Jenner and appears only as ~~XXXXXX~~ "Tito". In view of the pilor arrest, it also seems interesting that Harper helped the deM's on their Mexican hegrira by small plane over the first range. H

7/4 Today's Post carries an outrageous story on how Burger is manipulating the court for political decisions, in this case on abortion. I am keeping a Burger file if this interests you. His record makes me feel good about what I wrote about him in COUP, that had to come out of FRAME-UP. He is filling the same role he did for Nixon when he was in Justice and Nixon in Congress, what I there went into, and his speeches on such things as the Sixth Amendment haven't gotten the attention they deserve. He is determined to carry out a quiet fascist revolution through the court, his master's bidding but his own desire, too. H
