HW

Herewith all I can find on Alford.

The story you have in undated form headlined

"Jurist Panel Will Probe Fix Charge" was dated July 7, 1971. Our copy is checked in the way we then were using to indicate a copy had been made and sent to you.

Re the last five lines of your inquiry, attached, I recall no ~~story~~ <sup>story</sup> where "he" (?) invited the papers to check the records of various judges etc etc. Assume you mean Garrison by "he."
