fine stuff, that the FBI was maligning me in N.O. That also doesn't make sense. But when I wrote to Mitchell, years, only filence on this. It does would be against policy, quite wrong, who had nonetheless put me onto some tions (big business, excess profits, inflation, Meany) and finally coming and when I wrote there fter repeatedly me to tell me that he had had an coincidence: as of the time of before I noted I think I forgot another up with an acceptable answer, would ing rather firm and unequivocal posiend of that. He looks like hell, but noid or in serious trouble far away. these things director. and the were referring it to the Criminal Division saying such a thing I finally got an answer from the being one of my less dependdable ones unconfirmable report, the source the Shaw trial, Matt Herron phoned the young woman with troubles, in what he support Wallace. he gave a very good performance, tak-Answers, and we caught a bit of the saw HHH was on ABC's Issues and had lunch, I looked at the program, turned the volume down, So, when we talking to Lil. The TV, I'd just it would be ready for evening while ... I had just let the side run out do rassment, of which I've writen you. Herrons and makes out a case of har-She is the friend of my friends the wrote agreement with all and said I awaited pro if no more. In three Returning to

tend to support the weak source and to credit the present seemingly senseless things. I have heard from over since then. Not by writing. He sent as agent who had written out what he had been told to say on a ruled pad and read that to me, in the presence of another and younger agent, here, when he returned what had lashed JEH. The linds are right: Craxy, man! Now it is not like Hoover, esp. when he can do it indirectly, not to make a self-serving denial, especially when it would seem to serve his inserest to do so and could not possibly cost wim enything or jeopardize him in any way.

When listening to Green I had other things on the mind. I think that what he said on Manoi is that our concept of negotiation is to get at the conference table what we can't by arms, and if the other side doesn't yiled on this, that means they not we, just are not negotiating.

He pulled a switch when asked about the alleged fears of such lands

He pulled a switch when asked abo bout the alleged fears of such lands a Australia, to "internal security". hat many Chinese or Wha in Australia?

erther Dara.
