

3/31-Dear Je, A minor thing that
may mean a little to you. I noticed
it tonight when I helped Lil on
with her coat at work. I have noticed
it before but not made comment. That
pretty leather flower you sent her
has not been off that coat since
she got it. Often she says little
about some things, but this tells
me that she likes it much. Thanks.
From TV tonight, ITP is back in the
news. There was no story in the
news. (early ed.) Wah Post this a.m., I

think the first time since the
story broke. Karnow and Ungar are,
or today's edition indicates they
are, on other stories. This, of
course, is subject to change and
with the Lichtman story I suspect
Ungar will be back on it rather
than Karnow. Sanford Ungar is one
of their legal reporters, and they
have several. He has an office in
one of the courthouse buildings.

...I apparently will be in St.
Louis the weekend of 5/7, to do a
night talk show there. I have an
ok from the station to get there the
6th and have asked Bevel, who is to
be on the same show, to do the same
if he can. He has not had time to
answer. This also makes it possible
for me not to be as pooped, for my
nerves are in bad enough shape,
and when I have Stoner as an ally
against Frank, the odds are stacked
Frank's way enough. But, if Jim
knows anyone on the Post-Dispatch
to whom I might want to talk or who
might want an off-the-record fill-
in, I'd like to know.... Obviousky,

SHE is feeling better, for she
fell asleep sitting up again look-
ing at the news. Good sign! Good
measure, too. Best, H
