

of 2172 Don't know detail in which Nelson's account in memo will be printed.
Reported. Looking at NBC's issue. From the conversation the secret history of the
report it was clear there would be complications. Even Sir's military report
was complicated, no more, no Byrdness. No words either. Ambiguity. ¹⁹¹⁵ ~~1915~~
There, supplied with specific small steps of it through to show on
SOME. No diplomatic info. Dinner private - no press. Technical.
Emergence of these small letters. Pattern from previous ~~past~~ ~~past~~ ~~past~~
& around disorganizing. ~~Steve~~ Churchill's brain out would not fall
which either was being played by hand. Mc Gee, not so in-
port, incident told what was going on, so he informed that
when. He was plain leader of it wasn't my job, but an ~~accident~~
phone. As they officer's relations were told & made no effort to hide
the child. If program would on a, I don't need it. Even without
at all. My old camp or center. ~~then~~ even yesterday when there was
no need need a different purpose. Some coverage covered in advance, &
Mc Gee's old views with by his independent on substance fields. The
reporter ~~started~~ ~~was~~ making words about how best to ring that
~~was~~ news wanted to mount legs on hand port, probably Mc Gee.
Churchill pointed out some things in Washington. Comparison with
opening inevitable, advised only briefly after meeting. ~~was~~ ~~was~~ ~~was~~
~~the~~ obvious. My own opinion is Mc Gee's memo is cast as doubt &
but so the ~~the~~ ~~the~~ ~~the~~ prospects. There was no speech, no write-
ments as there was from cinema. Reporting, I think, reflected
this. They had better to say. In there was better to talk about.
