

10/11/72. Intended to get you a Post today but forgot. Will try to remember in the a.m. if the wholesaler had one left. If I don't send, this is to remind that the Post had a UPI story ¹⁶ saying Bella Abzug's Congressional phone was tapped (with technical flaw that enabled her, state politicians to whom she talked and the professional investigator to overhear the tappers. If I don't get paper and you want, please ask for after switch is fixed, later this week. Also had Ziggler ~~int~~ press conference transcript. The press was persistent, and no single sycophantic question is in what was printed. When he evaded, it was clear he was so told. When he distorted question, he was pulled up.

OCT 14 1972

10/13-In 3cl J there will be a few cases where there are two copies of the same story on the ^{OCT 14 1972} military, SEAsia, etc. They are in each case folded together in the event you'd want a copy for [#] more than one file and so if you don't want, you can decide and discard together. I'll mail it with ¹⁶ this in a.m. as leaving town for weekend. Sending WG stuff 1st class not only so you'll be as up to date as possible but so that Je won't copy Post service stories on what I already have. If I've sent you more than 1 copy WG stuff, I goofed. Rushing to clean up as much as possible and to get time for a little exercise/mowing. No time for a.m. walk today or for coming weekend, and I fall back if I don't keep up!...Except for the wholesale purging in two years, the examination of the Hanes/^Huie files was as productive as I'd figured and in some areas I'd figured. Lesar copied 700 pages- AFTER completing the petition and accompanying memo. God save us from our friends! Best, HW
