3/9/3/72 Js, What I find particularly interesting about Je's sending of the clip on Replica my lifetime, even including the size of such modern contributions as that of Stone, the lobbying activities as racists, contributors to racism and fascism, etc. I suppose over leadership. One case is famous and was litigated. past. Some of these are also recorded in the then-famous Hugo Black investigation of The contributors list contains most of the traditional fatcats of the Republican

Pews have been the heaviest contributors, directly and indirectly. HW

in the timing of the costly exapnsion for a publication of such obviously meager resources. of whom are of the type likely to have been considered the equivalent of "war criminals" have done this kind of thing traditionally with revanchist "refugees" in this country most It would be quite interesting to learnthat it has a pro-Republican slant. The Republicans in their native lands. How the Democrats have missed with with some of the Yugoslavs and has not only used such groups but has intruded into their affairs to dominate and change Ballics with the Jewish vote being fought for I can't understand. Matter of fact, the CIA
