Have you a list of those who appeared before the grand jury in the Watergate thing, and those who gave depositions to Edward Bennett Williams? If you do, would like very much to have a copy - but no hurry about this at all. It's just that it's aggravating not to be able to tell from the news stories if the names we've seen are the only ones.

Many thanks for all the POW/peace negotiation clippings, and those on Hoffa. Filled in many little holes at this end.
