

OCT 6 1972 12

African American Institute- Katzenbach-CIA In dropping a note of thanks to my source on 9/26/72 the Turner-Spreng quote I just happened to think of The Espionage Establishment, which I presume you have. Check the index on it and Katzenbach. If you don't have, I'll send copies. They and their house organ were on the teat and K "absolved" the CIA and the foundations for LBJ. How much more pat can it be? HW

Re INCA/Ochsner story, States-Item 9/13/72: HW 9/30/72

If you can please send me a clearer copy of this I'd like to give it to Paul Vehlentine, who has done some first-rate reporting on the extremists so-called "youth" groups. They figure in this in a way and it just might interest him.

Butler is one of those who compelled interest in himself I might not have exerted. Thus I have tapes of most of his old programs. They were incredibly amateurish and dull. And the propaganda was usually unhidden.

On one of them he had a guy who had been of interest to Paul. On this show, gratuitously and pointlessly Butler twice plugged "Imperium", the Mein Kampf of Francis Parker Yockey, in whose name the forerunner of the "youth" movement by that 39-year-old kid ran was named.

By the way, have you anything on the seemingly mysterious death of Yockey in that San Francisco jail? No great interest. Partly curiosity, partly in case Paul is interested in this particular kind of "Americanism" honored by Nixon in person.

*HW*

9/29/72 In DC today I picked up the final edition of the Post after learning of Mitchell's blowing of the bond-salesman's cool. Lil is comparing them. She is outlining in yellow. I suppose enough will show in copying. I will copy both for you. In the early edition, what is outlined was deleted for the final. In the final, it is the new copy that is outlined. I think he made a mistake to take after "Kate" personally, for I detected a difference I think) when I spoke to Carl Bernstein today. He has agreed to get me xeroxes of the city directory for the Washington Bldg beginning 1965. I've told him this would enable me to direct him without violating confidence, as I think it will. Just got home. Will enclose ltr from Geo Herman, CBS news, and response. Got busy today on personal problems, including lawyer-stalled damage suit and squeezed this in. Haste, HW
