

I have an extra copy of the <sup>DEC 17 1973</sup>  
give-away of Executive Action  
if you would like it. That it  
was just given away - in Omaha -  
says that the distributors did  
not mean it when they said the  
movie is "only entertainment."  
Lane and Freed got into a fight  
with them over this, HW 12/16/73
