HW:

NYTimes for 4 June 1973 had nearly a full page (24c) of "Transcripts of Excerpts from the D.I.A. Memorandums [sic] About the Watergate Case."

These are all memos by Gen.. Walters about his contacts with the WH re Watergate, ~~running~~ running from 28June72 to 18May73, except for one by Schlesinger. If HR didn't provide, you probably should have. Be glad to copy for you if you need.
