

Today's early Post, the one we get and probably  
/ you also do, did not have the Agnew to resign  
story. The remade the entire front page to  
use it. Saw it on TV CBS a.m. news. If I get a  
copy I'll let you know in case you want it. The  
edition that reached the local paper is also the  
early one. I checked. HW 9/18/73
