

MAR 9 1974

I do have the press-conference text  
from yesterday's late NYTimes.  
Today I got a pale copy of the  
full texts of the indictments of  
3/1/74. I'm going to ask for  
yesterday's, Plumbers, if you want.  
Lil enjoyed the Hunt reviews very  
much and was delighted by the gift  
of the Chinese cookbook. Her face  
does not often light up these days  
but it did when she read that. Thanks
