

JDW I have written Fulbright for a copy of the
1/7/73 Helms testimony UPI today says he has just
released. Such inquiries in the past have not al-
ways had response. If you have the same interest,
I suggest you ask your Senator. This way one of us may
get it. HW 3/11/74

On Barter deal MAR 4 1974

If WxPost recorded Reagan's Swiftian statesmanship
and consummate political sagacity on the national
urgency of an outbreak of botulism in California,
I did not see it. One of his more timorous counsel-
ors later whispered it was a joke. These pusillani-
mous cookie-pushers who attach themselves to the
great lack the manhood to permit deathful wisdom
to stand undiluted as guide and model to the coming
generations of our Glorious Leaders.

We are such stuff as dreams are made of, and
our lives are rounded by a little peep.

Dear Howard, I have a WxPost 3/1/74 story,
"Soviets Sought Talk With JFK After Vote" that
will interest you, as any reporting you may have
seen will interest me for Tiger. Richard M.
Weintraub reports on several thousand RFK
documents in the JFK library, so these are
now available...I believe accurately, the Soviets
said that "lower-echelon" people had an interest
in seeing to it that "a number of vital issues"
were "misconstrued and distorted." This one memo
in particular, of 12/18/60, RFK to Rusk, should
be of great interest. HW 3/10/74. P.S. I have the
NYTimes report on the new Khrushchev tapes. I
also got yesterday's Times from Lesar, who was
here.
