

When I spoke to Finley today he told me of having heard from you on Peking man. Agrees return can be pley in extremis. I told him of the amount of time you've spent on this and of what you'd earlier told me, before I asked him about the Greek with gifts. All of a sudden the silent Greek. No doubt new GL will have more serious problems than wearing wrong pants too short. With all else short, why not pants? Even if greater shortages higher up? HW 11/20/74
