

On RFR I have 24 stories NY
Times 8/4, 8/15, if you have
not already copied.

AUG 22 1975
AUG 20 1975

I have NYT: 8/13/75, A Second U.S. Pan On Chile Is Cited;
Drugs 8/11/75, Destructive LSD letter; Mind-Drug Tests a
Federal Project Almost 25 years; 8/13/75, Army Discloses
Man Died in Drug Test It Sponsored. Unread. So you won't
copy needlessly.

Good news while typing this: Howard is coming to help with
appendix as soon as classes are over next week. The Enquirer
guarantee will cover the costs. HW 8/20/75
