Dear Harold:

Your friend who sent us the xeroxed copy of the Colby Report had to shell out \$1.25 to airmail it. Unless he has free xeroxing service available he also had that cost.

Now you say he's also xeroxing and sending the Castro-McGovern report on attempts against Castro.

We're of course anxious to repay any costs involved; We're sure you understand that and will let us know what we owe whom. Meanwhile, many thanks.

Best,
