

Checking as I do a little filing before supper I've come to your 12/30/74. I do remember sending that long Crewdson of 12/15, do not remember sending Dean from Playboy but assume I did, finding no duplicate. Alternative, if you do not have it: loaned to Lesar.

Laguna Niguel deal did get some attention here, but little, not for ~~kan~~ long.

Nixon Foundation great gang; no authentic scholar among them and many dubious types. HW 1/18/75
