

Got NYTimes 1/28
Id Hearst against zip codes?
Their letterhead lacks one.
I have a letter from Eastham
telling me that Donald Stanley
went to the Pacific Sun and noted
the zip absence in responding.
Got xerox Goulden's piece yesterday.
If it appears worthwhile (as a way
of your spending time) I'll make a
copy for you when I read it.

*Also got NYT 1/29. But
won't rest of week. Car
in shop.*
