

Where I send copies of letters  
I'll retype and they are unclear  
it is because the earlier copies  
may be needed for court/suit use  
and will save the cost of xeroxing,  
sometimes a special trip to xerox.  
If you ever want a clear copy of  
these things that I think may be  
of only minor and passing interest,  
please let me know and I'll send.  
Examples are these letters to ERDA  
and Sec. Defense. HW 7/26/75
