

Thanks for the carbons of the letters to Hart and Schweiker. Hart has a form letter I received without solicitation some time prior to my letter to him you noe have. His office also is prompt. If I were to guess the reason for his silence it would have to do with his realization that he is into something other than he naticipated at the outset and is beginning to realize it from both sides. G. Her,an was flooded with collect calls after the show. He accepted none. LW 7/2/76
