

JDW: Dave for here a couple of days this past week. He looks well, says they all are, and I suppose they are home now. Elaine's family gathered at Stone Harbor, N.J., where they were. ...He seemed pleased at the organization and condition of the FOIA files. ...His biblio. is being retyped but he and Guth have yet to agree on and complete the intro. ...If as I think I've indicated a copy of an HSCA story for you when Lil makes copies, it is an extra we won't need for Dave. ...The Harpers (local paper) were here for dinner last night. Apparently nothing new re local hospice. ...Mike Maio indicates N.Y. Chinese-language papers (he gets both sides and reads both) hold few details boat people troubles not reported by our media. I think he said that easy V.N. exit requires 5 oz gold. ...Best HW 7/22/79
