Another coincidence > 6/21 I got an elaborate mailing from EPA, which had my "organization" handling hazardous materials, for which there is a fine if not adequately reported to it. They had my middle initial, last used 40 years ago in government job application, and address of 5 years ago, Rt. 8. ... Little China news in WxPost but sending what is not filler. WxPost's GOP "bug" coverage little more than was on radio. Sending to Dave W. ... Isn't it strange that the vast DJ/FBI bureaucracy has singled me out? Can I be more than a fly to it/them? Wouldn't seem do. I don't have the zip of old but I'll prepare. Gad to be a young man of 62 again! ... We've had an unusual erries spring. Came in like summer, proceeded as October and now is summer. So cool I've been in the pool only twice, "il not many times more...Art Kevin was here briefly, after hearing on FM license he seeks for classiful station in Vegas. He's left Golden West (Seattle news tirector) for a San Duego station that paid him more and I suppose to get back in that part of the country again. He's been a good friend and I was glad to see him. Otherwise, little new. Hope you are well and no less busy than you'veebeen keeping yourself with good things so worth doing and so needing being done. Best, HW 6/22/80
