Dear Harold,

(and 10/13)

Your mailings of 10/5, 10/8, and 10/12[^] received. I'll hold off on many comments until you get out here.

Rhoads' letters of 10/3 are interesting. Surprisingly helpful tone.

Thanks for your comments on the analysis of the Watley report. Most of it is due to Jim S. and me working together - it helps to read such a report aloud to each other.

Have no knowledge of "L.D. Miller problem" (Sanders memo, 3/25/64). Will check indexes.

Your letter of 10/6 to Rhoads: I hope you didn't put "cc: Paul" on the original! I have a feeling I am on someone's list. ~~But~~ But as Krassner once said, that's okay, the Government is on my s**t list too.

As I understand from Hal, there is no problem with accomodations for you but there might be with transportation. We might have to play it by ear.

I am surprised that you got such a frank and lengthy response from Wade. I intend to study it in detail, as you suggested.

Enclosed: CD 194, p. 13 (Chandler), my mailer on the indexes (will discuss this with you), Jim S.'s notes on CD 7. There is a great deal of material in the indexes, and many leads which will take some time to check out. Both Jim and I are working on them now. I was wrong about the Odio material ~~in~~ in CD 1546; from the index, it is not identical to that in CD 1553. As far as I can tell, the unpublished Odio memos mentioned in CE 3146 are not CD's. Jim will probably ask the Archives to locate them.

Re CE 710: this differs from ~~CE~~ CE 706-8 in that it was identified and placed in evidence. I am not certain, but I believe that Jim S. was told by the Archives that CE 706-8 were not found.

Sincerely,

Paul
