Comment: 210&211 fone nbers. 212/city directory check; Irving not in Dallas City Dir.-thus Miss Gabriel.

Burrow (211) and probably Maples "210" with fone co.

Lt. James Oswald was at Carswell AFB. Dont know if he figures.

See vol.16/63 IIC addr. book wherein the number AL 95642(211 above) seems to be attributed to Katya & Declan Ford. Probably its all readily explainable.
