Dear Ted!

In response to your report
the last time on NCO I'm
enclosing ^{my} the letter I received
from Robert Blakely - the answer
to my letter to Chairman
Stokes, incidentally, treatment
by the Department from the
Committee of Mr. Blakely.
I'm what I hear that were
many more awarded the
same treatment as I & a
most disturbing state of affairs
to say the least.
I'm sure that Blakely completely
ignored the real threat of
my letter to Stokes - I was
complaining of the inability
of the state to communicate
with the public to the Committee
- under the non disclosure
rule - not that the public was
knowing it!

Dear Mr. Gould:

I heard you on radio KGO (San Francisco)

Bob Drebo's talk program night of March 11th.

I am always eager to hear your report -- even

though it is sometimes disheartening I keep praying

that night will triumph over night.

You asked for copies of letters received

in reply to those we sent to Mr. Blakely. I am

glad to relinquish my original letter to you for

it is worth nothing to me.

Do me the letter says: " I'll tell you

what I want you to know when I want you to know it. "

(I should live so long!) B. S. !!!!!!!!!!!!!!!

Kang in there, Ted

G. M. Bogie

P.S. In the second paragraph I made an error.

Our letters were sent to Mr. Louis Stokes, as

you directed. But some how the replies were

made by Blakely.
