In November of 1991, 400 concerned citizens from 30 states and 5 nations convened at Dallas' Hyatt Regency Hotel at Reunion Square, blocks away from Dealey Plaza. Their purpose as participants in ASK: Assassination Symposium on John F. Kennedy was to further the dialogue about Kennedy's assassination and the mysteries that continue to elude assassination researchers.

Building on this solid foundation, ASK '92 will offer four days of new panel discussions, intensive group workshops, and other special events related to assassination research. This second Symposium will continue the effort to convince the United States government to make public all evidence that is currently sealed and reopen an inquiry into the assassination.
NOTE: Workshop space is limited to the size of the room at hand. Registrants will be admitted to each during the Symposium strictly on a ‘first come, first served’ basis until the Workshop room is filled.
