Have a signal 19 involving a police officer 400 E. Tenth
suspect last seen running west on Jefferson, no description
at this time.

I just passed (for the next few minutes there was quite
a bit of confusion as to location of shooting and suspect).

Have a description on the suspect on Jefferson. Last seen
about the three hundred block of East Jefferson. White
male, thirty, five eight, black hair, slender build, wearing
white jacket, white shirt, dark slacks.

Armed with what?

Description rebroadcast several times.

257 dispatched to Wadley Blood Bank code three escort
to Parkland.

We believe we've got this suspect in the shooting of
this officer, got his white jacket, believe dumped it
on this parking lot behind this service station at 400
E. Jefferson, across from Dudley Hughes and he had a white
jacket on and we believe this is it.

Do you not have the suspect, is that correct?

No, just the jacket laying on the ground.

I'm at Twelfth and Beckley now, have a man in the car
that can identify the suspect if anybody gets him.

Several minutes later.

One of the men here at the service station that saw
him seems to think he is in this block, 400 block
East Jefferson behind his service station, give me
some more squads over here.

Received information from Methodist the officer involved
in the shooting, Officer J. D. Tippit was DOA.

They say he's running west in the alley between Jefferson
and Tenth.

Broadcast this information.

Rebroadcast description.

Do you know what kind of a call he was on?

Repeat.

Was he on a call or anything.

No.
Do you have any information for us?

Nothing, we're shaking down these old houses on the 400 block of East Jefferson right now.

Send another squad over here to Tenth and Crawford to check out this church basement. 66 checked out.

(Excited) He's in the library on Jefferson east 500 block. 223 called again.

What is the location?

Marshall and Jefferson, library. I'm going around back. Get somebody around the front, get them here fast.

Any unit near Marshall and Jefferson at the library. Transmissions garbled.

They got him held up, looks like in this building at the corner.

We're all at the library.

Might can give you some additional information. I got an eye ball witness to the getaway man that suspect in this shooting, white male, twenty-seven, five eleven, one sixty-five, black wavy hair, fair complexion, wearing a light grey Eisenhower jacket dark trousers, white shirt last seen running on the north side of the street from Patton on Jefferson on East Jefferson. He's apparently armed with a .32 dark finish automatic pistol which he had in his right hand.

For your information, they have the suspect cornered at the library at Marsalis and Jefferson.

10-10. This man can positively identify him if they need him.

They do have the suspect under arrest now. Hold on to your witness.

It's the wrong man.

Disregard all information on the suspect arrested, it was the wrong man.

221 has an eye witness to the shooting you want him to hold on to him.

You want him to keep the eye witness at the scene.

Yes.

I'm in front of 400 E. Tenth right now. I got two witnesses. I got one that talked to the officer and one that observed the man.

What officer have you got commanding this area over here where this officer was shot?

19.

What is your location.

I'm at Marsalis and Jefferson.

There is nothing to this Marsalis here. Let's get back up to the place and work to north Jefferson, we got a witness that saw him shed his jacket and check towards Tyler. (223 interrupted this transmission several times.)
It was just a boy running to tell them what happened, he works there.

Shells at the scene indicate the suspect is armed with an automatic .38 rather than a pistol.

Are you enroute 40+ E. Tenth where 221 has the eye witness?

Yes.

We've been instructed to report to the Oak Cliff scene, what's the location and code.

500 E. Jefferson code two.

210 was dispatched to notify Mrs. Tippit.

Have information the suspect just went into the Texas Theater on West Jefferson, supposed to be hiding in the balcony.

550-2, 492, 211, and many more squads surround the Texas Theater.

I'm remaining out to the Homicide Bureau with a witness on the officer's shooting.

Suspect on shooting of police officer is apprehended en-route to the station.

From the Texas Theater.

Caught him on the lower floor of the Texas Theater after a fight.

Advised of shooting and apprehension.

WAS/mh
ASSASSINATION OF PRESIDENT JOHN FITZGERALD KENNEDY, NOVEMBER 22, 1963, DALLAS, TEXAS

By letter dated July 16, 1964, the President's Commission referred to a memorandum captioned "Dallas, Texas, March 23, 1964." This memorandum contained the transcripts of all radio transmissions from Channel 1 and Channel 2 of the Dallas Police Department radio station covering the period from 10:00 A.M., November 22, 1963, to 6:00 P.M., November 24, 1963, as they relate to the assassination of President KENNEDY, the murder of Dallas Police Officer J. D. TIPPIT, investigations of said assassination and murder, and the security and movement of LEE HARVEY OSWALD to the Dallas County Jail.

The President's Commission letter advised that in view of the importance of these transcripts, it was desired that the Federal Bureau of Investigation obtain the original tapes of the radio broadcasts and a new transcript be prepared from these tapes for the period 10:00 A.M. to 3:00 P.M. on Friday, November 22, 1963, and from 10:00 A.M. to 2:00 P.M. on Sunday, November 24, 1963. The President's Commission letter requested that the name of the reporting police officer be listed alongside each message.

On July 21, 1964, Chief of Police JESSE E. CURRY, Dallas Police Department, Dallas, Texas, made available to a Special Agent of the Federal Bureau of Investigation the original recordings reflecting the radio transmissions of Channel 1 and Channel 2 of Dallas Police Department Radio Station KEB 364 for the above-described period, and these recordings were reviewed by a Special Agent of the Federal Bureau of Investigation on July 21, 22, 23 and 24, 1964, at the Dallas Police Department.
Re: ASSASSINATION OF PRESIDENT JOHN FITZGERALD KENNEDY, NOVEMBER 22, 1963, DALLAS, TEXAS

The radio transmissions for the period 10:00 A.M. to 3:00 P.M. on November 22, 1963, and 10:00 A.M. to 2:00 P.M. on November 24, 1963, on Channel 1 of Dallas Police Radio Station KGB 364 were recorded on dictabelts using "Dictaphones" purchased by the Dallas Police Department in 1957. These dictabelts are badly worn from being played and, in many places, the dictabelts skips and some of the messages are garbled.

The radio transmissions for the period 10:00 A.M. to 3:00 P.M. on November 22, 1963, on Channel 2 of Dallas Police Radio Station KGB 364 were recorded on a "Gray Audograph" recorder using 8½" flexible Celluloid discs. This equipment was purchased by the Dallas Police Department in the early 1950's. It was noted that these discs are badly worn from being played. In many places, the discs skip and portions of the messages are garbled.

On July 21, 1964, Lieutenant D.H. GASSETT, Platoon Commander, Dallas Police Department, advised that on November 22, 1963, between the hours of 10:00 A.M. and 3:00 P.M., three radio dispatchers were on duty at the Dallas Police Department at the same time. He stated that two dispatchers handled Channel 1, each working an opposite side of the radio console which separated one dispatcher from the sight of the other. On this radio console, above each dispatcher, are a series of knobs with a unit number assigned to each knob. The purpose of the knobs is to indicate which units are "in service" and which units are "out of service." Upon being contacted by any of the units the dispatcher, in addition to replying to the unit calling, adjusts the knob relating to the unit calling, to either the "in service" or "out of service" position.

The third radio dispatcher's position is located at one end of the radio console. This position is for the Channel 2 dispatcher. Channel 2 is usually used only when a special situation is anticipated, as was the case on November 22, 1963, during the Presidential motorcade. This relieves the volume of
Re: ASSASSINATION OF PRESIDENT JOHN FITZGERALD KENNEDY, NOVEMBER 22, 1963, DALLAS, TEXAS

Radio traffic on Channel 1 and permits those dispatchers to handle other traffic with greater ease.

Lieutenant Gasset advised that each dispatcher has a time stamp clock before him and pointed out these clocks are not synchronized. He demonstrated by simultaneously time stamping a blank piece of paper, using two of the clocks. It was noted that one clock stamped the time as 11:16 A.M. and that the other clock stamped the time as 11:17 A.M. He stated this would explain a time element variation between Channel 1 and Channel 2. He further pointed out that the position of the hands on the clock appear different, depending on the angle of sight from which one is looking at the clock. He stated a short person would have a different angle of sight than a tall person. Lieutenant Gasset stated this quite probably could explain the time element variation of the shooting of Officer J. D. Tippit with the Channel 1 entry indicating the approximate time as 1:16 P.M. and the Channel 2 entry indicating the approximate time as 1:18 P.M.

Lieutenant Gasset also pointed out that the information relating to the shooting of Officer Tippit was broadcast to the Dallas Police Department on Channel 1 by a citizen using Officer Tippit's police car radio, which is a different radio frequency than Channel 2. He stated that this same information was then rebroadcast on Channel 2, which could also explain the time element variation between 1:16 P.M. and 1:18 P.M.

The following is a transcript of the radio transmissions from Channel 1 and Channel 2 of the Dallas Police Radio Station KGB 364 for the periods 10:00 A.M. to 3:00 P.M. on November 22, 1963, and 10:00 A.M. to 2:00 P.M. on November 24, 1963, it being noted that Channel 2 was not operating during the period 10:00 A.M. to 2:00 P.M. on November 24, 1963, as they relate to the assassination of President Kennedy, murder of Dallas Police Officer J. D. Tippit, investigations of said assassination and murder, and the security and movement of Lee Harvey Oswald to the Dallas County Jail.

We believe we've got that suspect on shooting this officer out here. Got his white jacket. Believe he dumped it on this parking lot behind this service station at 400 block East Jefferson, across from Dudley-Hughes, and he had a white jacket on. We believe this is it.
10-4, you do not have the suspect, is that correct?
No, just the jacket laying on the ground.
What unit is going to take that blood to Parkland, Code 3 (Emergency - red lights and sirens)?
Where is it?
3600 Gaston, Wadley Blood Center.
I got it.
91 (KENTZEL).
Conversation

What was the description beside the white jacket?

White male, 30, 5'8", black hair, slender build, white shirt, white jacket, black trousers, going west on Jefferson from the 300 block.

Go ahead.

I'm at 12th and Beckley now - have a man in the car with me that can identify the suspect if anybody gets him, the one.

Return to service, 599, (Cockrell Hill Squad)

Have you been to the scene?

Do you know what ambulance took him? We had three going.
Conversation

No, DUDLEY HUGHES passed in front of me going to Beckley - looked like he might have had him.

Did someone find a jacket?

One of the men here at the service station that saw him seems to think he is in this block of 400 East Jefferson, behind this service station. Will you get me some more squads over here?

En route.

I want to advise we need someone to
work traffic Mockingbird and Casa
Springs.
We have four men here.

1. (Chief of Police JESSE E. CURRY)

4 (Deputy Chief of Police N. T. FISHER)

39 (Police J. F. BURCH and G. W. CURRY), landing will be at Southeast won't it?

1 (Chief of Police T. R. STOKES)

Go to the hospital - Barkland Hospital. Have them stand by.

Get a man on top of that triple underpass and see what happened up there.

Have Barkland stand by.

I'm sure it's going to take some time to get your men in there. Pull every one of my men in there.

Barkland (Chief J. B. "BILL" O'KEEVE), request, I didn't get all of it. I didn't quite understand all of it.

I'm sure we've all available men out of my office into the railroad yard to try to determine what happened in there and hold everything secure until Ribles and other investigators should get there.

Barkland (Chief J. B. "BILL" O'KEEVE) - Station 3 (Dallin County Sheriff Dispatch) will be notified.

1 (Chief of Police T. R. STOKES), any information whatsoever.
Looks like the President has been hit. Have Parkland stand by.

10-1. They (Parkland) have been notified.

You have these Dallas units in that vicinity, don't we?

Headed to Parkland. Something's wrong with Channel 1.

I (Chief of Police JESS E. CURRY), what do you want with these men out here with me?

Just go on to Parkland Hospital with me.

Claypool on Channel 1 seems to have his mike stuck.

Get these trucks out of the way. Hold everything. Get out of the way.

Unknown motorcycle - up on Sessions with his mike stuck open on Channel 1. Could you send someone up there to tell him to shut it off? (11:34 P.M.)

35 (Petroleum J. F. BUCHER and C. W. COX): We are over here at Southwest Airfield. We need to come across the field. Can you come over and help us?

Telephonist (RADIO): I still haven't been able to contact 39 that's on the field. All I can suggest is go ahead and take that perimeter road and go on across. We don't have any contact with the tower.

199: Sure. We're going.

219: Yes. We didn't ask that information about those 2 blue hanging bags and the 2 handbags.

Radio Operator (RADIO): One of the telephone clerks brought it in here and said they talked to them at Oakland.

71 (Deputy S. R. WARNER): I called this information in from Oakland. We got it from the 2nd floor. It should be Governor CONNALLY's bag. They were on the Presidential plane. They didn't know if they had been taken off or left on the plane.

Dispatcher (RADIO): 170, are they CONNALLY's or JOHNSON's?
Conversation

T.: (To Washington, D.C., Warner) — I have an understanding they were Governor Connally's.

Yes.

Warner: (unaudible) — We are a cover Champagne for that Johnny, that's going across the field.
