A characterization of the Women's International League for Peace and Freedom is contained in the appendix of this report.

Mr. LOREN G. WINDOM, Assistant United States Attorney, Southern District of Ohio, Columbus, Ohio, sent a letter to the Cincinnati Office of the FBI, dated 6/4/53, requesting an investigation of CARL DUDLEY HYDE to determine the validity of his claim of "Conscientious Objector" in connection with his classification under the Selective Service System. This investigation revealed that his parents were WILLIAM AVERY HYDE and CAROL ELIZABETH HYDE, and he resided at 1986 Summit Street, Columbus, Ohio, from 1945 to 1948. He joined the Religious Society of Friends, Cleveland, Ohio, in 1949 and based his objections to military service on religious convictions and beliefs. He travelled to England in 1953 to study the possibility of living in a religious community, the Society of Brothers.

The 2/12/47 issue of the "Dayton Daily News," a daily newspaper published in Dayton, Ohio, contained an article which indicated that CARL DUDLEY HYDE was one of fifteen residents of Yellow Springs, Ohio, who sent their draft registration cards to Representative Joseph Martin, Speaker of the House, accompanied with a letter which stated in part, "We see any military program involving peacetime conscription as a drastic violation of civil rights and a threat to the peace-making efforts of the United Nations." Most of the senders were students of Antioch College.
OSWALD'S Possible Attendance at Antioch College, Yellow Springs, Ohio

Mrs. DONNA BLANCHARD, 4249 Labata Place, Dayton, Ohio, telephone 278-3948, telephonically advised SA JOHN W. LILL, JR. as follows:

She has received information from her sister, Mrs. WILMA HASSER, Fairfield Pike, Yellow Springs, Ohio, that a teacher at the Yellow Springs Junior High School by the name of JEFFERY ROBBINS, mentioned to his class at that school, that OSWALD had been at Antioch College. A student by the name of EASTMAN reportedly asked ROBBINS if it were true that OSWALD attended Antioch College. ROBBINS reportedly answered that OSWALD had not been a student at Antioch, but had been to Antioch College to give a talk on Fair Play For Cuba.

Mrs. BLANCHARD stated her sister would have further details and would be in a position to furnish information as to the source of the above information.

On December 3, 1963, Mrs. CECIL (WILMA) HASSER was contacted at her residence, 525 Fairfield Pike, Yellow Springs, Ohio, and advised SA BERNARD D. MALONEY that the information related by her sister was misinterpreted and that it had been reported to her that JEFFERY ROBBINS, a teacher at Yellow Springs Junior High School, had mentioned to the class he had heard that LEE HARVEY OSWALD had attended Antioch College, Yellow Springs, and heard that OSWALD had been to the college to give a talk on Fair Play For Cuba.

Mrs. HASSER said that she had no definite information concerning these statements by ROBBINS, and related that it was her impression ROBBINS was a former physical education teacher at Antioch College, Yellow Springs, Ohio.

Previous investigation concerning OSWALD at Antioch College failed to reflect he was known at this college or had ever attended there. Recent articles appearing in local newspapers this area, made mention OSWALD had attended Antioch College.
On December 2, 1963, Mrs. MILDRED KIRK, Deputy Clerk, Scioto County, Portsmouth, Ohio, furnished SA WILFRED GOODWIN the following information:

HARRY KYLE, an attorney at Xenia, Ohio, is an associate of her son. KYLE represented the barber, name unknown to Mrs. KIRK, who was involved in the racial matter at Yellow Springs, Ohio, when he declined to cut the hair for persons of the Negro race.

KYLE told Mrs. KIRK's son that when he saw OSWALD on television, he thought he recognized OSWALD, and after reflecting on the matter, is certain that he recalls OSWALD as having been one of the pickets in front of the barber shop operated by his client.

Mrs. KIRK also was of the opinion that he had told her son that the checks which OSWALD was reported to be receiving were from either someone at Antioch College or possibly directly from Cuba.

Mrs. KIRK has no first-hand information concerning this matter.
On December 3, 1963, Mr. HARRY W. KYLE, Attorney-at-Law, 241 Hill Street, Xenia, Ohio, advised SA BERNARD D. MALONEY he has represented LOUIS GEGNER, Yellow Springs, Ohio, in fight against attacks of discrimination at Gegner's Barber Shop, where demonstrations have been staged in protest.

He said he was not acquainted with OSWALD, but following the assassination of President JOHN F. KENNEDY, and mention being made of OSWALD, he felt he heard the name before with reference to picketing or agitation behind the picketing at Gegner's Barber Shop, Yellow Springs, Ohio. He said he had no definite information to support this, and stated that should he later recall where he heard the name before, he would so advise the FBI at Dayton, Ohio.
The Federal Bureau of Investigation has requested that certain pages of this document not be disclosed. This request was incorporated in a letter of August 13, 1965, to Dr. Wayne C. Grover, Archivist of the United States from Norbert A. Schlei, Assistant Attorney General, Office of Legal Counsel, Department of Justice.

A confidential informant advised on December 3, 1951 that at a meeting of the Franklin County, Ohio Section of the Communist Party at Columbus, Ohio November 29, 1951, it was decided that the matter of forming a Columbus Chapter of the Women's International League for Peace and Freedom (WILPF) would be taken up at a meeting of the Ohio State Board of the Communist Party.

This informant further reported on March 5, 1952 that the formation of the Columbus Chapter of the WILPF was discussed at a meeting of interested women January 31, 1952, at which the aims and purposes of the WILPF were read from literature issued by the international organization. According to this informant, Communist Party members in Columbus believed this group should be organized and developed into a Communist Party front organization.

It was reported by this informant on May 9, 1957 that the Columbus Chapter of the WILPF continues to function as an active affiliate of the international organization and is primarily interested in the promotion of world peace and disarmament. On this occasion informant advised that the Columbus Chapter of the WILPF at the present time is neither controlled nor infiltrated by members of the Communist Party and that the Communist Party at Columbus has exhibited no recent interest in the group.

Oswald Studied Russian in Marines

WASHINGTON, Dec. 4 — Lee H. Oswald studied Russian and read Russian newspapers months before his secret flight to the Soviet Union, his former Marine corps commanding officer said today.

Oswald also played end on his squadron's football team until he was benched for "talking back" to the quarterback, a marine captain. The accused assassin of President Kennedy was then a private, having been reduced in rank from private first class by a court-martial.

Mr. Donovan's unit was a small one of six to eight enlisted men who were often assigned to long watches in the relatively intimate and informal setting of a radar air control center.

Mr. Donovan said that Oswald was an officer-baiting troublemaker.

"He was smart enough," Mr. Donovan said. "You have to have a G.C.T. [general classification test] score of 110 to get into radar. That's the same score for getting a commission."

"Oswald," Mr. Donovan said, "was a very unpopular man that month."

H. V. SCHULTZ
Mrs. PATRICIA A. FERGUSON, Transfer, Pa., advised that while in bar of Leland Hotel, Mansfield, Ohio, on 11/21/63, she overheard unidentified male state, "Mr. KENNEDY is going to be assassinated." On 11/24/63, information received that LEE H. OSWALD alleged to have wife and two children living in Zelienople, Pa., when he left for Russia. Previous investigation reflects ROBERT E. WEBSTER, Zelienople, Pa., left wife and two children in Zelienople, Pa., and he went to Russia in 1959. WEBSTER renounced his U.S. citizenship but returned to the United States in 1962. WEBSTER reported to be working at his job in Wellsville, Ohio, on 11/22/63. BUSTER D. MITCHELL, Charleston, W.Va., stated distant relative, LESLIE HOLLINSWORTH from Dallas, Texas, told him about 11/18/63, "You are going to hear something soon that is really going to shock the country." Mrs. MARGARET HOOVER, Martinsburg, Pa., furnished information alleging that in 10/63, she found used Seaboard Airline ticket and piece of paper on her property. She alleged paper contained names of RUBENSTEIN, LEE OSWALD and Dallas, Texas. She alleged ticket and paper belonged to Dr. JULIO C. FERNANDEZ, former resident of Cuba, now schoolteacher, Martinsburg, Pa., Mrs. HOOVER's daughter and son-in-law, advised Mrs. HOOVER has been in highly emotional nervous condition for several years due to marital difficulties. FERNANDEZ interviewed, claims to be anti-Castro, and claims no knowledge of OSWALD, Pittsburgh confidential informants familiar with racial matters, criminal activities and some phases of Communist Party and related activities in West Virginia and Western Pennsylvania were contacted and advised they could furnish no information concerning LEE HARVEY OSWALD or the assassination of President JOHN F. KENNEDY.
Of Mrs. PEARLON—:

On November 22, 1963, MRS. PEARLON stated that shortly before midnight, November 21, 1963, at the conclusion of a sales meeting, she and two female associates visited the cocktail lounge at the aforementioned hotel for the purpose of having refreshments. Mrs. PEARLON noted that she does not indulge in intoxicants.

Shortly after being seated, an unidentified, white male entered the lounge. He consumed two highballs at the bar, and then approached their table, requested to join them and sat down at the table. Almost immediately, according to Mrs. PEARLON, he expressed his dislike for Mr. KENNEDY and his policies, and emphatically remarked, "Mr. KENNEDY is going to be assassinated. I'm not going to do it, but he will be assassinated."

Mrs. PEARLON stated that she and her companions briefly engaged in a heated discussion with this individual, expressing their disfavor with what he was saying. She said that he emphatically used the word "assassinated" on two occasions after making the original remark. After they informed him that they were disgusted with his remarks, they hurriedly left their table and departed from the lounge. Subsequently they discussed the matter with their immediate supervisor, Mr. AL BRYANT, who was also attending the sales meeting. He suggested that this be reported to the FBI.

During the morning hours of the following day, Mrs. PEARLON said that she did not have time to report the matter, but upon hearing of the actual assassination of the President at approximately 1:30 A.M., she and the aforementioned companions went to the Manager of the Leland
Hotel and apprised him of this individual's remarks and asked him to report it to the FBI. The manager volunteered that he was acquainted with this individual and implied that he was a frequent visitor at the hotel and possibly lived in the Mansfield, Ohio, area. He assured them that he would report the matter.

After departing from Mansfield, later that day, Mrs. FERGUSON and her companions discussed the matter and after agreeing with one another that they were very concerned, they stopped while enroute to Transfer, Pa., at approximately 7:30 P.M., and called the manager of the hotel long distance to determine if he had reported the matter. They talked to him briefly, at which time he stated that he didn't feel as though it was a serious situation and did not intend to report this to the FBI. He further implied that he didn't want the hotel to be involved in this situation.

Mrs. FERGUSON described this individual, who made the above remarks, as a white male; approximately 50 years of age; 5'10" tall; 190 - 200 pounds; blue eyes; bald head with hair around the sides and rear of his head; full, fat face; ugly; backs of both hands spotted with noticeable sores and scars; appeared educated; wore dark suit, white shirt, tie, dark coat; talked with snappy, clipped tones and boasted that he was reared in and knew the area around Mansfield, Ohio, and probably was not a guest at the hotel at the time. She also stated that it was her impression that this individual was not under the influence of liquor at the time.

Mrs. FERGUSON said that she had no additional information of value to offer, but thought it was her duty to report this immediately to the FBI.
On November 24, 1963, FRANK MILLER of the "Detroit Free Press," a daily newspaper in Detroit, Michigan, advised that an unidentified Detroit woman contacted him and stated that a relative of hers in Ohio advised that LEE H. OSWALD was reported to have an American-born wife and two children living in Zelienople, Pa., when he left for Russia.

Zelienople, Pa., telephone directories as of November 25, 1963, failed to reflect a listing for OSWALD or his wife.

It is noted that ROBERT EDWARD WEBSTER, a plastics technician formerly of Zelienople, Pa., and a former employee of the Rand Development Corporation, did leave his wife, MARTHA, and two children, in Zelienople, Pa., when he went to Russia in 1959. WEBSTER renounced his U. S. citizenship, remained in Russia approximately three years and returned to the United States in May, 1962. WEBSTER is presently employed by the Wesco Manufacturing Co., Wellsville, Ohio.

On November 23, 1963, Captain PETER TRAYNOR, Wellsville, Ohio, Police Department, advised that he personally observed WEBSTER at work that day and verified that WEBSTER was working at that plant on November 22, 1963.

On November 26, 1963, BUSTER D. MITCHELL, Rd#5, Box 621, Charleston, W.Va., advised SA LEON ROSS GRABEN that he met LESLIE HOLLINSWORTH from Dallas, Texas, on the street in Charleston, W.Va., on November 18 or 19, 1963, and during the conversation, HOLLINSWORTH made the statement, "You are going to hear something soon that is really going to shock the country." MITCHELL claims HOLLINSWORTH made no further comment about the matter and he did not think anymore about the statement until hearing of the President's assassination in Dallas. MITCHELL advised HOLLINSWORTH is his fourth cousin and he has not seen HOLLINSWORTH since about 1940, just after HOLLINSWORTH had been released from prison. MITCHELL stated he did not know HOLLINSWORTH's...
MITCHELL also stated he did not know the present whereabouts of HOLLINSWORTH but assumed he had returned to Dallas, Texas. MITCHELL described HOLLINSWORTH as white, male, age 59, born Beckley, W.Va., 5'10", 175 lbs., and short nose.
On November 27, 1963, Corporal THEODORE LAZAR, Pennsylvania State Police (PSP), Hollidaysburg, Pa., advised that at approximately 10:00 p.m. on November 27, 1963, ROBERT STEELE, 316 Brayton Avenue, Altoona, Pa., stopped at the PSP Barracks and advised that he was the brother of MARGARET KATHRYN HOOVER, 105 S. Walnut St., Martinsburg, Pa., and had the following information to offer concerning the assassination of President KENNEDY which he had received from her.

During the third week in October, 1963, Mrs. HOOVER, who lives in a second-story apartment, 105 S. Walnut St., Martinsburg, Pa., located three items in the dry leaves immediately below her upstairs porch. This porch and Mrs. HOOVER's residence are located at the rear of a lot containing two homes. The homes at the rear are occupied by Mrs. HOOVER and the home in the front of the lot, which was formerly occupied by Mrs. HOOVER, is known as 400 E. Allegheny St., Martinsburg, Pa., and for the past two months has been occupied by Dr. JULIO FERNANDEZ, a Cuban refugee, who is presently teaching at the Morrison Cove Junior High School, Martinsburg.

These items consisted of an envelope used for tickets from the Seaboard Airline Railroad Company, Miami, Fla.; a used ticket which was enclosed therein indicating the holder had a coach reservation on the railroad, seat number 48, car number 35, on a train leaving Miami, Fla., at 12:40 p.m. on September 25, 1963, and arriving in Washington, D.C., the following date. This ticket bore the number, D-214332. Also in the leaves was a throw-away advertisement, commonly used in advertising trailers, which was found by Mrs. HOOVER. Pencilled on the back of this throw-away, which contained no handwriting, were the following notations:

The upper left hand corner contained the name of a club, unrecollected by Mrs. HOOVER, and a six digit number thereunder which contained either an address or a telephone number.
In the top middle of the page was the name, LEE OSWALD.

On the right top of the page was the word, RUBENSTEIN.

In the middle of the page were the words, "JACK RUBY."

On the bottom of the page, toward the center, were the words, "Dallas, Texas."

STEELE advised that he was unable to evaluate the information furnished by his sister and suggested that she be contacted in this regard. Trooper LA ZAR advised that he immediately notified the FBI of the receipt of this information.
MARGARET KATHRYN HOOVER, 105 South Walnut St., Martinsburg, Pa., advised that she is estranged from her husband, JESSE ELVIN HOOVER, who now resides in a trailer court at 600 East Allegheny St., Martinsburg, and that approximately three and one-half months ago she moved from their old residence, 400 East Allegheny St., Martinsburg, to the rear of that address where she is presently residing in a second-floor apartment over a business establishment which has her current address.

She stated that she and her husband have not reached a financial settlement and that they are partners in the ownership of a trailer business located at her husband's present residence, and also in the ownership of the property just described. She advised that in the latter part of September, 1963, her husband rented her former residence at the front of the property where she now resides, to Dr. JULIO FERNANDEZ, a Spanish teacher in the local junior high school and a Cuban refugee.

She stated that she had not heard Dr. FERNANDEZ, his wife, or any of their three children make any statement indicating that they are pro-Castro or anti-American but that she is not familiar with people of Cuban background and has become quite irritated by them because they burned trash in the back yard, which is almost immediately below her apartment, and because they parked their car at the side of their home rather than along the curb.

She stated that during the third week in October, 1963, she happened to be passing an area immediately below her upstairs porch and in a space approximately twenty feet from the place where the FERNANDEZ family was burning trash a day or two before, she noted several items in the leaves. One of these items was a trailer advertisement throw-away which she believed was for a "Ken-Crest" trailer manufactured somewhere in the State of Kentucky—a trailer that was totally unfamiliar to her, despite the fact that she had been engaged in the trailer business.

On 11/28/63 at Martinsburg, Pa. File # Pittsburgh 105-5070

by SA J. EDWARD KERN/SMQ -8- Date dictated 12/2/63

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.
On the back of this advertisement, which contained no printed material, were notations in pencil, and in a fine, feminine handwriting. Mrs. Hoover explained that she was immediately interested in these notations because she felt they either came from the Fernandez family or possibly were notations made by one of her husband's many girl friends and were discarded by the Fernandez family when they were cleaning her former residence. She stated that she was immediately attracted to the middle name written on this advertisement which was that of Jack Ruby because she was thinking in the terms of a woman having this last name as her first name. Further inspection of the paper disclosed the name of an unrecalled night club with its telephone number in the upper left-hand corner of the paper; the name Lee Oswald in the top center; the name Rubenstein at the right top; and the address Dallas, Texas, toward the bottom and middle of the page.

Mrs. Hoover explained that beside this advertisement in the leaves was an envelope from the Seaboard Airlines containing a used ticket for a coach reservation from Miami, Fla., to Washington, D.C., on September 25, 1963. She made these last two items available to the FBI, but stated that although she had looked through all her paper, she was unable to locate the trailer advertisement, which she remembered keeping, and which she did try to locate.

Mrs. Hoover stated she had not thought about any of these items from the time they were discovered until the assassination of President Kennedy and the death of the accused assassin, Lee Oswald. Immediately upon hearing of Oswald's death at the hands of Jack Rubenstein, she recalled finding the advertisement and the ticket; started a search for them; but was only able to locate the ticket and its envelope. She stated she felt that the information which she had found might be of great importance in unraveling the assassination of President Kennedy and as she did not know what to do with the information advised her brother, Robert Steele, who stated he would notify the State Police at Hollidaysburg.
Mrs. HOOVER advised that although she could not locate the advertisement she was certain she had shown it to her daughter, MARGARET KAY KAUFFMAN, 600 East Allegheny St., and that her daughter, a married woman with one child, would recall the incident.
MARGARET KATHRYN HOOVER, 105 South Walnut St., Martinsburg, Pa., advised that she had been unable to locate the trailer advertisement which contained the names of LEE OSWALD and JACK RUBY nor had she been able to recall any further information concerning this paper which might be of assistance to investigating officers. She continued to maintain that the paper contained the handwriting which she had previously described.
Mrs. MARGARET KAY KAUFFMAN, 600 East Allegheny St., Martinsburg, Pa., advised that she is the daughter of Mrs. MARGARET KATHRYN HOOVER, 105 South Walnut St., and that her mother is estranged from her father, JESSE ELVIN HOOVER, who lives in a trailer adjacent to hers (Mrs. KAUFFMAN's).

She stated that about the middle of October, 1963, her mother was extremely upset over the separation from her husband, which had been occasioned by a long series of affairs with other women on the part of Mr. HOOVER, and in this regard had shown her some items which she had found in the leaves beneath her second-story porch and which she first had felt related to her husband's amorous activities but later felt were connected with the family of Dr. FERNANDEZ who now resides at the old family homestead.

Mrs. KAUFFMAN stated to the best of her recollection the items found by her mother and exhibited to her (Mrs. KAUFFMAN) during the third week in October, 1963, were a used railroad ticket from Miami, Fla., to Washington, D.C., and the envelope which had contained same and an advertisement for a trailer made in some unrecalled state in the South which contained a drawn picture of the trailer and advertising information on one side and pencil handwriting on the blank surface of the other side.

Mrs. KAUFFMAN stated to the best of her recollection the pencil handwriting had the name of a club on the upper left corner of the page which she recalled as the Silver Bell or the Silver Slipper and a six digit telephone number underneath. In the top middle of the page was the name LEE OSWALD and at the top right the name RUBERSTEIN. In the middle of the page was the name JACK RUBY and at the bottom Dallas, Texas.

Mrs. KAUFFMAN stated that her mother has been rather upset recently and that she did not place any particular significance on this discovery and did not recall it again until her mother called her to tell her...
that OSWALD, accused assassin of President KENNEDY, had been shot by JACK RUBY. At this time, she stated she recalled seeing the trailer advertisement which her mother had found together with the handwriting thereon, and she felt it might be of significance in regard to the assassination.

Mrs. KAUFFMAN stated she had absolutely no idea how the items found by her mother reached the location where they were found, and that she did not particularly attribute them to Dr. FERNANDEZ or any member of his family.
GERALD KAUFFMAN, 600 East Allegheny St., Martinsburg, Pa., advised that he is the husband of MARGARET KAY KAUFFMAN and that he has been very much concerned about the investigation being conducted by the FBI concerning the paper found by his mother-in-law, Mrs. MARGARET KATHRYN HOOVER, and the corroboration by his wife of the finding of this paper. In this regard, he advised that his mother-in-law has been under severe mental stress for many years because of difficulties with her husband; that recently, they had separated and are attempting to secure a divorce; and that his mother-in-law, who is 61 years of age, has been so upset by this strain that he and members of his family feel that she now has a slight mental condition and is not responsible in many areas of her thinking. He advised that his wife is almost totally dominated by her mother; that his wife is highly nervous and has been taking tranquilizers for some time; and that every contact with her mother aggravates her condition unfavorably. He stated that for this reason, he has requested his wife to stay away from her mother as much as possible and that not only his wife, but other members of her family refrain from contacting Mrs. HOOVER because she invariably causes trouble among the relationship.

Mr. KAUFFMAN advised that after he had heard that his wife had confirmed information concerning a paper found by her mother allegedly containing the names J. RUBY and LEE OSWALD, he talked to her at considerable length and learned that she was so confused by the matter that she could hardly corroborate information furnished by her mother and in fact, was probably confirming the information only to pacify her mother.

Mr. KAUFFMAN stated that he was certain his wife, if re-interviewed, could clarify the situation and more accurately describe what she had or had not seen on the paper exhibited to her by her mother, now that she had given it more thought.
Mrs. MARGARET KAY KAUFFMAN, 600 East Allegheny St., Martinsburg, Pa., advised that since she was first interviewed she had given considerable thought to the paper exhibited to her by her mother during the third week in October, 1963, and is certain this paper had nothing to do with the assassination of the President. She stated that both she and her mother have been in a highly nervous state since the separation of her parents; that both have been under a doctor's care; and that she is prone to agree with her mother on any statement which her mother makes, simply to avoid a scene.

Mrs. KAUFFMAN stated that she had spent a great deal of time, since last interviewed by the FBI, in endeavoring to recall the back of the trailer advertisement her mother had shown to her during her third week in October, 1963, and that she now believed the only thing written there was the name, JACK RUBY, and Dallas, Texas. She stated she was certain the name, LEE OSWALD, was not on this paper; that the name, RUBENSTEIN, was not on this paper; and that there was some doubt in her mind as to whether or not JACK RUBY's name had been written on the paper although she was inclined to think it might have been there.

Mrs. KAUFFMAN stated that she had no reason to believe anyone in Martinsburg, Pa., was in any way connected with the assassination of President KENNEDY and in particular, she did not believe that the paper found by her mother and exhibited to her (Mrs. KAUFFMAN) almost two months ago, had any bearing on the matter. She stated that her mother was extremely prone to save any and all papers she found and that she felt if the paper actually contained the name her mother said it contained, she would have been able to produce it.
On November 2, 1963, SA RICHARD N. RANDLEMAN discussed the violation, Section 1001, Title 18, U. S. Code, possibly perpetrated Mrs. HOOVER and Mrs. KAUFFMAN, with Assistant U. S. Attorney ROBERT T. TUCKER who advised he would decline prosecution under this section and title due to the emotional instability of the persons involved.
Dr. JULIO CESAR FERNANDEZ, 400 East Allegheny St., Martinsburg, Pa., was advised that he did not have to make any statement; that any statement he did make could be used against him in court; and that he was entitled to the advice of his attorney if he so desired.

In response, Dr. FERNANDEZ stated he would be most willing to orally discuss any of his affairs or actions with the FBI and felt that he had absolutely nothing to hide as he was very much pro-American and anti-Castro as were all members of his family. In this regard, he explained that prior to Castro taking over the government in Cuba, there had been many oppressions by the former dictator, BATISTA, and that there had been considerable controversy among his family as to whether BATISTA should be supported by them, particularly as he (FERNANDEZ) was the owner and editor of a number of magazines and newspapers in Cuba including the weekly magazine, "La Nacion," the daily paper, "Diario de Las Villas," and the daily paper, "La Nacion."

He noted that his brother-in-law, ANTONIO LARRAZ, was the Captain of Police for BATISTA and that his sister-in-law, AURORA FERNANDEZ, was the mayor of a small interior town in Cuba under the BATISTA regime. He stated that he and his wife and approximately 99 per cent of the people in Cuba immediately before the fall of the BATISTA regime felt that anyone was to be preferred to BATISTA and hence they were pro-Castro. He compared the situation in Cuba at this period in its history to that of the early HITLER era in Germany when HITLER was approved by almost all the population because of his many needed reforms.

Dr. FERNANDEZ stated that after CASTRO took over, he and his wife supported CASTRO's papers in accordance with their thinking previously outlined. As time progressed, CASTRO's reforms became more and more oppressive, and it was not unusual for people of property to be awakened by a group of soldiers in the early hours of the morning, removed from their homes, and everything taken from them. He stated that it was this sort of action which made him and his wife feel it was essential
to leave Cuba and that they made arrangements for this departure in 1960.

He stated that he had only a tourist's visa in the United States at the present time but that his wife and children had left Cuba, gone to Jamaica, and had entered the United States in 1961 with a resident visa. In this regard, he noted that, following his departure from Cuba, all of his worldly possessions, including the weekly magazine previously mentioned, which was published in Havana, and the daily paper, "Diario de Las Villas," which was published in Santa Clara, and his 7,000 volume personal library were lost.

Dr. FERNANDEZ stated that upon his entry into the United States both he and his wife endeavored to find employment as they wished to build a new life in the United States and not be dependent upon public funds. He stated that his wife was more successful than he in this regard and that she was employed at a Cuban refugee center in Miami, Fla., from approximately July 1, 1961, to June 1, 1962, when she went to work for the Catholic Welfare in Miami, where she stayed until October 15, 1963. He stated she had resigned from the latter job to join him in Martinsburg, Pa., where he secured a position of Spanish teacher in the Martinsburg Cove Junior High School on September 10, 1963.

Dr. FERNANDEZ stated that he has not been in any way connected with CASTRO or his government nor has any member of his family except as described above; that he would know of no one who might indicate he had such leanings; and that he had no close relatives residing in the United States.

He stated his wife has a brother and sister-in-law, Mr. and Mrs. ANTONIO LARRAZ, residing at 2311 South West 15th Street, Miami, Fla.; a brother, JOSE LARRAZ, 2443 South West 16th Terrace, Tampa, Fla.; a niece, AURORA LACONZO, 6825 South West 80th Street, Miami, Fla., and that this latter niece is married to one SERGIO FERNANDEZ.
The railroad ticket on the Seaboard Airlines found by Mrs. HOOVER was exhibited to Dr. FERNANDEZ, and he stated that this was the coupon used by his 19 year old son, JULIO CESAR FERNANDEZ, JR., who is now residing with him in Martinsburg, when the young man made the trip from Miami, Fla., northward. He stated that he had absolutely no knowledge of the trailer advertisement found in his back yard, underneath the upstairs porch of Mrs. HOOVER; that he had never been to Dallas, Texas, nor had any member of his family; that aside from current television and radio broadcasts and newspaper articles he had no knowledge of LEE OSWALD or JACK RUBY (RUBINSTEIN); and that he had no connection with the "Fair Play for Cuba" organization or any other organization of this type.

Dr. FERNANDEZ expressed great sympathy for the American people in their loss of President KENNEDY and stated he would be most willing to furnish any information in his possession concerning this incident or anything which might relate to it but that he had no information in this regard.

Dr. FERNANDEZ, by way of explaining his background, made available to the FBI a list of his educational activities, academic background, and experience which is being maintained in the files of the Pittsburgh Office and which in substance discloses that he received his doctorate in political and economic science from the University of Havana and that he has also studied in Spain and France; that he has edited and founded about ten newspapers and periodicals in Cuba and the United States—the one in the United States being the "Alma Mater" in Tampa, Fla., in 1933, and that he has a number of publications to his credit in Cuba.
The following description of Dr. FERNANDEZ was obtained from interrogation and observation:

INFORMANT CONTACTS

Pittsburgh confidential informants familiar with racial matters, criminal activities and some phases of Communist Party and related activities in West Virginia and Western Pennsylvania were contacted on November 22, 1963 and November 24, 1963, and advised they could furnish no information concerning LEE HARVEY OSWALD or the assassination of President KENNEDY.
Marine 'Wise Guy'

Oswald Was Troublemaker

By JERRY O'LEARY, JR.

A Washington man who was Lee H. Oswald's commanding officer in the Marines for about seven months said today the accused assassin of President Kennedy was a "wise guy" who went out of his way to annoy people.

John E. Donovan, 29, of 2009 Belmont Road N.W., a physics instructor at Ascension Academy, was a first lieutenant in charge of a six-man section of an air operations interception center. Oswald, he said, was a private under his command from March until September, 1959.

"His revolt was against any kind of authority," said Mr. Donovan, now a captain in Marine Air Control Squadron 24 on week-end Reserve duty here. "He wasn't expelled from society. He expelled himself from it."

Mr. Donovan said Oswald's philosophy is best summed up as a truculent troublemaker who practiced the role so assiduously that the rest of the enlisted men warned him to cut it out lest he tarnish them with the same brush.

"He used to read most of the time," said Mr. Donovan. "He got history books, magazines and a Russian newspaper he used to get. He also spent a lot of time studying the Russian language. There were no pocket books or comics for him.

"One of his tricks was to try to trap for some officer, particularly a field grade officer if he could catch one. He'd study up on some particular world political situation and then go up to the officer and say, 'Sir, could you please explain the Venezuelan or Cambodian situation, Sir?'"

"He always put a 'Sir' before and after speaking to an officer, but he said it in such a supercilious, pointedly obsequious way that it became an insult rather than a courtesy.

"The poor officer would make a valiant attempt to answer the question, probably not even knowing what's going on. The majority haven't got any idea."

Oswald, according to his section commander, was an officer-hating troublemaker, who, Mr. Donovan said, was a captain, as quarter-master to the USSR.

"Oswald kept talking back in the huddle, and demanding to know why an officer was running the team and criticizing the plays."

Oswald, who had been 20 years old then, antagonized everybody by saying things like, "If the Marines are so smart, why don't they recognize ME like me?"

Mr. Donovan said Oswald always claimed he knew more than 90 per cent of the officers and non-coms.

He was dependable on watch when it was his duty to scan the radar scope for aircraft, but in the long slack periods, he rarely associated with the others in the section, Mr. Donovan said.

"I heard about him before I and a Half years of active duty ever met him," Mr. Donovan ended.

knowing a whole lot about the specifics of whatever Olistald brought up. Then, Oswald I would turn to me and say, 'Sir, what do you think of that, Sir?'

'I knew what he was up to. He was just trying to show off his superior knowledge. He was smart enough. You have to have a GCT (general classification test) score of 110 to get into radar. That's the same score for getting a commission. But you could tell he was a self-educated man because there were rough edges to his knowledge.'

Mr. Donovan recalled that he had to ask Oswald to get off the Marine Air Control Squadron 9 football team during the tour of duty at the lighter-than-air base at Tustin, Calif., near the big El Toro Marine air base.

Critical of Officer

"He played end for me," said his commander. "But he confused the squad so badly I had to ask him off the squad. It so happened we had a pretty good college player named Tib Czik, who was a captain, as quarterback.

Secret Data Compromised

"That compromised all our secret radio frequencies, call signs and authentication codes," said Mr. Donovan. "He knew the location of every unit on the West Coast and the radar capability of every installation. We had to spend thousands of man-hours changing everything, all the tactical frequencies, and verify the destruction of all the codes."

"Oswald was a very unpopular man that month."

Mr. Donovan is a graduate of the Georgetown University Foreign Service School and studied physics at the University of Dayton after his three-and-a-half years of active duty ended.

DALLAS, Tex. Nov. 30.—It would be hard to imagine a stranger instrument of vengeance than Jack Leon Ruby, the man who pulled a hammerless .38-caliber Smith & Wesson revolver from his pocket last Sunday morning and committed murder before the eyes of millions of Americans.

In that split second at 11:20 a.m. (CST) on November 24, 1963, the 52-year-old Dallas strip-joint operator catapulted himself from obscurity into the spotlight.

Before he gunned down Lee Harvey Oswald, the accused assassin of President John F. Kennedy, last Sunday, Ruby might well have been considered the least likely matt in all of Texas to commit such an act. This was no hard-jawed enforcer of the eye-for-an-eye code. Around the Dallas bars and girlie clubs they called him the “Chicago cowboy” and regarded him as a back-slap-ping, garrulous pest with a yen for “class” and a great desire to hang around Dallas policemen.

To their lasting shame, they let him.

Today, Jack Ruby languishes alone in a cell of the county jail overlooking the spot, only a few feet away, where two bullets ended the President’s life.

Waiting for the justice he denied, Ruby spends his time worrying about whether his friends are mad at him and occasionally calling his night clubs to check on business. He also has begun writing his memoirs. Sheriff Bill Decker said, “I haven’t read what he has written. I assume that he believes he can sell the memoirs because of the notoriety....”

His conversation with jailers generally revolves around one question: Does the public approve his decision to shoot Oswald?

Ruby was born Jack Rubenstein, one of eight children of immigrant Polish parents, on March 25, 1911, in a tough west side section of Chicago. His...

because of his prowess at street-fighting.

Eva Grant said it was her brother's great pride as a teenager to protect her. His older sister, from the neighborhood Jewish orthodox family of Rubinstein children, five managed to escape the environment of their youth. Carl, changed his name to Rubin and moved to Detroit.

Instead, when he was 16, he became known as "champion gate-crasher" at Chicago Stadium, Soldier's Field and the Cub's ballpark. It was his boast that in 1928, he went to Soldier's Field with 11 other kids on a bet that he could get all 12 into the same without tickets. He pulled the stunt off, and earned $20 hawking hot dogs and pop while watching the game. He also often has boasted that he gate-crashed the Dempsey-Tunney fight.

He has a known police record in Chicago, either as Rubin or Ruby, but police there recall him as a gambler, ticket scalper, labor organizer and a man on the fringe of organized crime. A police captain remembers him as a loiterer in the notorious Maxwell district, but said he also liked to hang around policemen.

He frequented cheap nightclubs and-and would watch fights and work out. In 1937, Ruby scammed up with a close friend and neighborhood lawyer named Leon R. Cooke. The two organized a union of scrap iron dealers and junk handlers.

**Partner Murdered**

This association came to an abrupt end when Cooke was shot to death. In the union office, John Martin, the union president and one-time associate of bootlegger Terry Duggan, was accosted, but claimed self-defense and was acquitted. The information police received about the shooting came from the young union secretary; Ruby. Ruby was held in jail overnight but was not charged.

Early in 1944, the union dropped Ruby on the ground that he was "too temperamental and not good for the union.

Little is known about his life from then until May 21, 1943, when Ruby was inducted into the military. He served in the army for a year and a half.

**Fond of Dogs**

He is fond of dogs and kept two of those he owned in a backroom of the Carousel.

Gruff-speaking, gregarious, yearning for acceptance, quick to fight or take offense, Ruby seemed to have no active interest in politics except to be nosy in the corner of whatever was President.

A brinette strip-ette entertainer known as "Cindy Ember" said he banned Kennedy jokes in his night spot and tried to attack her husband one night for a relatively mild salry. Another stripper, Janet Cortez, known on the runway as Eva Grant, remembered that Ruby was inducted into the military on Christmas Day and returned in May.

**Paid Little Heed**

He introduced himself to one reporter as a translator for the Jewish press. To others, he acted as if he were Dallas' official greeter. It seems clear that police paid him little heed because his face was familiar. One officer says he asked Ruby what he was doing there and Ruby replied, "Oh, I brought the sandwiches."

Four separate occasions that Friday night, Oswald was brought out of the homestead, took the microphone and began detailing the evidence against the prisoner and said that Oswald belonged to a committee dedicated to freeing Cuba. Ruby interrupted. He said Mr. Wade was wrong, that Oswald belonged to that Communist outfit (the Fair Play for Cuba Committee).

Eva Grant recalls that her brother left-checked her six times during the day, the last time at 1:10 p.m., before leaving police headquarters.

When Oswald was put in the top-floor cell-block for the night, Police Chief Jesse E. Curry was asked by newsmen to give them advance notice when the prisoner would be moved to the county jail next day. The announcement was made that the transfer would be accomplished at 10 a.m. Sunday.
the white-faced police coroner while Oswald was rushed into an ambulance and Ruby to a cell.

At Parkland Hospital, physicians quickly saw that Oswald was dying. Ruby had jabbed the muzzle of his pistol so tightly into his abdomen that there was a two-inch powder burn in his sweater. The bullet had pierced his liver and several large arteries. Oswald never regained consciousness.

At 1:07 p.m., he died in the room next to the one where the President breathed his last.

After Oswald had been taken to the hospital, this reporter by happenstance was the first one to run upstairs to Chief Curry's office. He did not know until what had happened below.

The chief, grayfaced and in a trembling voice, called newsmen in at 1:27 p.m. and announced that Oswald was dead.

He said Ruby would be charged with murder.

At his first statement to police, Ruby did it because he couldn't stand the thought of Jackie (Mrs. Kennedy) undergoing the torment of attending Oswald's trial.
Fond of Dogs

He is fond of dogs and kept two of those he owned in a room of the Carousel. He pretended to be experiencing yearning for acceptance, quick to jump or take offense. Ruby was said to have an active interest in politics except to be basically in the corner of whoever was President.

A buccaneer strip tease entertainer known as "Cindy Ember" said he banned Kennedy jokes in his night spot and used to attack her husband one night for a relatively mild sally.

One other witness, 50, a friend for eight years who moved into Ruby's apartment a month ago, knows Ruby and one else about Ruby's movements in the hours before and after the death of President Kennedy.

Like everyone else in Dallas, Ruby knew that the President was coming to town around noon on Friday. An hour before, the man Ruby turned up at the offices of the Dallas News, in which he advertised, and had breakfast in the newspaper cafeteria. The building is four blocks from the corner of Elm and Houston.

At 12:10 p.m. Ruby entered the News building's advertisement department in search of John Nowlan, who handled his account. Adrian Grant, Dallas News' political writer, remembered the time because noon was the ad deadline and he had been looking for it.

Ruby, News employee before this was helping to lay off his ad while Campbell went out to watch the presidential motorcade between 12:20 p.m. and 12:45 p.m. Ruby apparently didn't watch. Mr. Nowlan turned up at 12:45 p.m. and found Ruby still at the desk. At 12:45 p.m. another adman burst in with the tragic news that the President had been shot. From all accounts, Ruby reacted, like everyone else, with shock and disbelief. With others, he rushed to the nearest TV set and a little later changed his ad and decided to close his nightclubs for three days.

Mrs. Grant says her brother called her from the News office and that Ruby left the building in a long-distance telephone call to the brother in Dallas, Earl Rusin.

Like everyone else in Dallas, Ruby knew that the President was coming to town around noon on Friday. An hour before that time, Ruby turned up at the offices of the Dallas News, which he often visited, and said the President could have a sapphire ring on one hand and a diamond for a hand. In that way, he said, Ruby turned up.

Cowboy Attire

As near as can be determined, Ruby took up residence in Dallas about 14 years ago. From the first, he was much taken by life in the West. He wore immaculate cowboy clothes, almost as incongruous in Dallas as they would be in Washington, but later he returned to his favorite wide-brimmed hats and high collars.

The brimmed hats and high collars, says Ruby, were so incongruous and so garish in Dallas that the President had to be helped to lay out his ad while Campbell went out to watch the presidential motorcade between 12:30 p.m. and 12:45 p.m. Ruby apparently did not watch. Mr. Newnam turned up at 12:45 p.m. and found Ruby still at the desk.

When the word spread that Lee Harvey Oswald had been captured after killing Dallas Police Sgt. J. Tippit, Ruby made a bee-line for police headquarters.

The Oswald Story
The Man and the Deed—a Report On His Actions and Life

By JERRY O'LEARY, Jr.
Star Staff Writer

DALLAS, Tex., Nov. 28.—A week ago today, early in the morning, Lee Harvey Oswald got quietly out of the bed he shared with his 22-year-old Russian wife, Mrs. Oswald slept on. Nor did he waken his infant daughters, June, 22 months, in her crib, or Rachel, 6 weeks, in her bassinet in the same room.

It was about 7 a.m. when Oswald made himself a cup of coffee in the kitchen of the green rambler at 215 West Fifth street in the town of Irving, Tex. He moved so quietly that he did not disturb the owner of the house, Ruth Paine, or her two small children.

Dressed in a brownish shirt and nondescript trousers, the 24-year-old Oswald left the house and went into the garage where most of his family's effects were stored. He got a long, narrow parcel, wrapped in paper the night before. Then he set out on foot in the drizzling rain toward the home a few blocks away of B. Wesley Frazier, 19, who owned a battered old Chevrolet and worked where Oswald worked.

As Oswald strode along to meet Frazier as they had arranged, anyone who noticed would have thought him an unremarkable man.

He had brown, wiry hair, beginning to thin on his high, square brow near the part he wore on the left. His skin was somewhat rough, as though once ravaged by acne. His eyebrows were dark and well defined over hooded, sightless staring eyes. He wore the

Truly said, "His landlady (Mrs. Paine) called me because her neighbor has a brother working here. She told me he had a nice young man living at her house who needed a job because his wife had one child and expected another any day.

"He filled out the application. It just gave his name and address and said he had served three years in the Marines and had an honorable discharge."

Mr. Truly said he doesn't check references on the boys in his warehouse because it takes too long and there is a high turnover. He said Oswald impressed him as a steady but average worker.

"He didn't appear like the others," said Mr. Truly. "He didn't talk much except about the stock, but I used to ask him about the baby he was expecting when he was expected to work here."

Mr. Truly said he is not conscious of seeing Oswald come into the building that morning, therefore he cannot throw any light on the parcel.

The employes of the school book depository, like nearly all the rest of the Dallas area's one-million-plus residents, were excited at the prospect of seeing the President and Mrs. Kennedy that day.

Mr. Truly, his warehousemen and the girls in the office on the second floor knew from the newspapers, television and radio that President.

**A Taciturn Man**

He had brown, wiry hair, beginning to thin on his high, square brow near the part he wore on the left. His skin was somewhat rough, as though once ravaged by acne. His eyebrows were dark and well defined over hence & slightly slanting eyes. His nose was aquiline over a dominant upper lip. But his most distinguishing feature was his mouth, pursed and tight and slightly twisted to the right.

The two young men got into Frazier's car and started driving the 12 miles east to downtown Dallas. Irving much resembles Springfield, Va., and bears about the same relationship to Dallas as that community does to Washington.

Mr. Frazier knew Oswald as a taciturn man who would talk about his babies but little else. He recalls that he confined the conversation on the 45-minute drive to remarking upon the parcel Oswald was carrying. Oswald told Mr. Frazier the package contained window shades. If Mr. Frazier thought that a remarkable thing for Oswald to take to work; he did not say so.

The world now knows that the FBI and Dallas police are convinced all the package contained a 6.5 mm. Mannlicher Carcano. Italian army carbine equipped with a four-power telescopic sight, bought from a Chicago mail order house for $12.58.

Mr. Frazier found a parking place in Dallas promptly at 8 a.m. The two young men walked into the seven-story, orange-brick building at Elm and Houston streets, where both were employed as warehousemen for the Texas School Book Depository.

All Arrived

Their supervisor, R. S. Truly, noted their arrival with satisfaction. Mr. Truly, a middle-aged native of Hubbard, Tex., said he has 19 boys working for him and he generally checks about 8 o'clock to see if all have arrived. This day, they had.

Oswald was one of his newest boys, interviewed on October 15 and hired the next day for $1.25 an hour to fill book orders from the bulging bins in the storerooms above the first floor.

"I remember talking to him," Mr.

While the people of Dallas began getting themselves into position to welcome the President along the parade route decided upon four days before, the rest of the household woke up at the house in Irving.

Mrs. Palme, 31, an energetic, well-spoken and attractive alumna of Antioch College and the University of Pennsylvania, switched on the television to watch President Kennedy's appearances with his wife at a breakfast in Fort Worth and the tumultuous welcome he received when his big plane, Air Force One, landed at Dallas' Love Field.

Marina Oswald, a blond, hazel-eyed, pretty pharmacist the ex-Marine had met and married in the Soviet Union, awoke and came into the living room to watch the Kennedys on television.

"Marina thanked me for turning the set on and watching the Kennedys seemed to put her in a fine mood," said Mrs. Palme. Obviously she was and is Marina Oswald's main anchor in this strange land.

"Marina speaks little or no English and I speak Russian, but not as well as Lee did," Mrs. Palme said. "I was hoping to improve my Russian well enough to teach later on." Mrs. Palme didn't say so but Marina Oswald and the children were living in the house on West Fifth street virtually as charity cases. Lee Oswald never paid any rent nor contributed to his family's

...support during the whole time. "We first met the Oswalds at a party in Dallas last February. I'd studied Russian in college and we naturally gravitated together because of that." Mrs. Paine said the Oswalds moved in early fall, putting most of their possessions in the garage. There were three of them then: Rachel was born in October.

Lee Oswald was seldom there. When he was, Mrs. Paine said, he liked to talk politics. He claimed to be a Marxist and was proud of his ability to discuss communism, Trotskyism and socialism. He used to bring home a few books and magazines on these matters, including copies of The Worker.

When the Oswalds moved into her house in September, they had arrived from New Orleans, to "clear up" a few things there and they had arrived from New Orleans, to "clear up" a few things there and

Mrs. Paine said this unexpected appearance might have been wondered at except that she and Marina both took it as a peace gesture—that Lee was making up from the argument. "I remember that he went out in the garage," Mrs. Paine said, "because he left the light on there when he went to bed at 9 p.m. I don't know what he did out there but I went out later myself to paint some furniture." Mrs. Paine said she had never seen a rifle or a parcel like that Lee took to work. He was very angry with her but she was upset that he was living under an assumed name. She didn't know why and it worried her.

"The next day, Wednesday, he didn't call at all, and this was unusual because he had been calling daily. Then on Thursday, November 21, he arrived unexpectedly and had dinner with us."

The Motorcade

As Marina and Ruth watched, 5,000 Dallas citizens gave the Kennedys a joyous and uninhibited welcome at the airport. Mrs. Kennedy got a bouquet of red roses from a reception committee. At 11 a.m., the motorcade started into Dallas.

The rain had stopped nearly two hours before and the bubbletop was taken off the President's Lincoln convertible in the warm Texas sun. President and Mrs. Kennedy took the back seats and were joined on the jump seats by Gov. John Connally and his wife, Nelle.

For half an hour the motorcade wound its way through the skyscrapers of downtown Dallas at a 15 to 20 mph clip. At noon, Mr. Truly, and his warehouse crew took their lunch break, most of them going out onto the street where Texans were lined up 12 deep for many blocks to cheer the visitors.

No one in the Texas School Book Depository recalls seeing Lee Oswald at this time. But police have reconstructed his movements. This is what they have found:

The youthful roomer came anything about Oswald had obtained a learner's permit have stolen a car and solding a car after he returned to the United States on October 3. They also are puzzled by Mrs. a brick rooming house at 1026 as he could. Then he went to now know Oswald used. The name of the handwriting on the order was going to get a job and knowing what hit him. Coy. doesn know, raced madly about as many of "but he (horn say coming home at 5:30 or 6. but hid the rifle behind some book outside waiting for the crowd took cover or fell me. That wasn matter any more." looked up and saw a man with a policeman and wanted to search the house. Mrs. Palms said "I asked them if they had grape stem in the waste basket. Police at Irving

While Oswald was on his way to police headquarters, Mrs. Palms said six policemen arrived. "I was running and knocked down the door about 2 p.m. "They told us Lee was brought in on suspicion of shooting a policeman and wanted to search the house," Mrs. Palms said. "I asked them if they had a warrant. They said they didn't but they could get one quick enough so I let the it, that wasn unusual, though. He put on a gray zipper jacket and went outside. The last time I saw him he was outside waiting for a bus. He then left his room for the last time November 22 between 12:30 and 1 p.m., Oswald and a woman dashed up to him and shouted, "Where's the inhuman?"

"I'll show you," Mr. Trify said, and led the policeman up to the second floor. Gun in hand, the officer searched the rooms, checking offices and rooms and finally into Oswald in the employee's lunchroom.

Mr. Trify said the policeman had been standing against a country wall. He couldn't tell you what he was doing. He was just standing there.
Later, police found his palm and finger prints on the boxes and a 38 caliber pistol which contained a small bed, cramped against the wall, two dressers, a floor lamp, a bare ceiling bulb and two throw rugs. It was here that police found a holster for a 38 caliber pistol and some Communist literature.

'That Doesn't Matter'

Mrs. Roberts said she knew only "Lee" and could never get her name out as a relative. She said she told her, "that doesn't matter any more." He came to see her, entreating her to come to the depository. Mrs. Connally remembered him only as "Lee" and could never get him to give her the truth. Mrs. Connally also felt gunshot and the presidential car sped away toward a hospital.

Satchel and Some Clothes

The youthful roomer, came to the house on foot with his satchel and some clothes on hangers. Mrs. Roberts recalled. "I showed him two rooms and he picked this one," she said, pointing to a 6 x 4 cubicle off the dining room and separated from it by double doors. The room was painted baby blue with white curtains. It contained a small bed, cramped against the wall, two dressers, a floor lamp, a bare ceiling bulb and two throw rugs. It was here that police found a holster for a 38 caliber pistol and some Communist literature.

After Years of Conflict

Disliked It

From there, he was sent to the Marine Air Base at El Toro, Calif., for training as a radar technician. He had earned a "sharpmunition" badge on the rifle range, but his temper was a way of life in Marine boot camp and Oswald may very well have felt like an exploited worker when his training period ended.

Fishy Prospect

The FBI has found letters from a man in this organization among Oswald's effects, one giving advice about how to set up a Fair Play for Cuba Committee in Dallas. The dates of these letters and the identity of the writer have been withheld.

Sighted Gun

Toward the end of the month, an Irving gunsmith named D. H. Ryder recalls, Oswald brought a foreign-made rifle to his shop at Irving Boulevard. Mr. Ryder said Oswald paid him $6 to mount and adjust a telescopic sight to the rifle and bore-sight it. Bore-sighting is done to make a rifle accurate and involves clamping a sight on the weapon in a vice, aiming it at an object and adjusting the sight to agree.

On November 21, Oswald showed up at Irving a day early to set his gun up for the presidential visit. Mrs. Paine thought nothing of it at the time, she said, but had come to patch up the quarrel with Marina about the phone call in Dallas because the Secret Service has said the motorcade's path was changed four days before the assassination.

On October 6, the FBI said it could not have the President's precise route through Dallas pass the Texas School Book Depository because the Secret Service has said the motorcade's path was changed four days before the assassination.

On September 26, Oswald took his family, then to New Orleans to see his wife. When he was 15, Oswald, the youth's romance with communism never got out of the way because of his almost constant sympathy and an empathy for Marx's tome, heavy going, and said this week anyone could let about the celebrated couple, for his romance was Confused state.

Mr. Oswald died of a heart attack three months before the beginning of his two sons were born. Left with little money or talent for earning more, Mrs. Oswald told her father that she lived in the United States where the weather. But he found time to patch up the quarrel somehow near her. Mrs. Paine said she doesn't know what Oswald's end was about. Mrs. Paine is separated from her husband by a large house along with the three children and expected fourth child.

This correspondence has led to speculation that Gov. Connally was the real target of the sniper's fusillade. However, the wounded Governor of Texas said this week anyone could have shot him almost any time because of his almost constant and unguarded public appearance.

When Oswald was killed by a bullet from Jack Ruby's gun, many reasons exist, but far from clear, Marina was in the house of Irving Police Chief C. J. Waddick where the Secret Service had taken her. She said the arrangement was made a muddled appearance on the world and removed. Some of them is favorable. Parkland Hospital where they were taken to in relative secrecy after a brief prayer by a minister. Marina does not want to go back to Russia.

On August 21, 1963, Oswald made a muddled appearance on a panel conversation show on New Orleans TV station WDSU as a_Yakuza man for the pro-Castro outfit.

Beyond disclosing that he was a Marxist and denying that his organization was Communist or subversive, Oswald gave a poor and stammering account of whatever he had to say. His hazy concepts of what he believed are quite obvious from a transcript of the broadcast.

Publicly Defects

In the Metropole Hotel in Moscow, Oswald called in reporters and announced that he was defecting. He also signed a letter of allegiance to the Soviet Union and the Moscow branch of the Communist International on October 18.

He told the Western reporters that he had come because he was a Marxist and no longer cared to live in the United States because "being a worker means exile by the capitalists."

"Capitalism has passed its peak," he told reporters. "Unemployment is growing. Capitalism is on the way. Capitalism will disappear as fascism disappeared. I'd like to spend the rest of my life here."

He told the reporters he had gotten a good conduct medal from the Marines. The Marines reacted by awarding him an undesirable discharge from the Reserves because of his pledge of allegiance to Russia.

The Rus- sian, too, didn't seem to see at all sure that this fa- tility obtained from the situation. They refused his citizenship but did allow him to stay on for three years as a resident alien.

No Mixer There

Not much is known of his life in Russia. He went to Minsk, got a job in a factory and was married a year and a half later to the pretty phar- macist, Marina Pruskova. He did not mix well with the other Russians, and disliked the weather. But he found time to join a rifle club where he became an excellent shot.

Somehow he learned of his undesirable discharge by the Marines while he was in Minsk and wrote a letter of protest to John Connally under the im- pression the Texas still was Secretary of the Navy. This letter warned Mr. Connally, "I shall employ all means to right this gross mistake or injustice."

This correspondence has led to speculation that Gov. Connally was the real target of the sniper's fusillade. However, the wounded Governor of Texas said this week anyone could have shot him almost any time because of his almost constant and unguarded public appearance.

It wouldn't have had to be done from a sixth floor window, the Governor said.

Wrote Tower
Between the communism involved in fights with school ... the Rosenbergs and this led him to "Das Kapital."

He was for earning more. Mrs. Oswald said he had no funds, he needed the fare to come home and the Russians were holding up his exit permit.

In Mexico
She said the arrangement was that Oswald would remain in New Orleans until he got on his feet and then come to the Dallas-Fort Worth area, where he worked in a sheet metal factory.

Buried Quietly
Her mother-in-law burst into the room and screamed, "Now it's all over with" and the two women who had loved Lee Oswald collapsed in tears.

"I want to see him," Marina cried in broken English. The Secret Service took her to Parkland Hospital where they had taken the mortally wounded President two days before.

Lee Oswald lay dead of a massive wound just below the heart in the trauma room next to the one in which John F. Kennedy died.

Oswald was buried the next day in relative secrecy after a brief prayer by a minister. There was one floral display on his僵尸. His mother, his brother and his wife were there. Newsmen were not allowed near. Marina Oswald and the children still are in protective custody of the Secret Service somewhere near here. Mrs. Paine said she doesn't know what Oswald's widow will do, but that Marina docs not want to go back to Russia.

"She doesn't know where to go or what to do," said Ruth Paine. Her husband never knew either.

Dear Mr. Haff:

Shortly after the shooting of President John F. KENNEDY on November 22, 1963, the District Intelligence Office, Charleston, S.C. was informed that one Robert C. REILLS had information relative to the assassination. REILLS was then a patient at the U.S. Naval Hospital, Charleston, S.C. He was interviewed by a representative of the Office of Naval Intelligence from about 1610 to about 1645, and stated substantially as follows:

He was in a bar in New Orleans, La. ten days to two weeks ago when he heard a man try to bet $100.00 that President KENNEDY would be dead within three weeks. He does not recall ever seeing the man before and is not certain he would recognize the man if he saw him again. He admits being somewhat intoxicated and said the man also was in an intoxicated condition. He advised that, at the time, he paid no attention to the man because he thought "it was just drunk talk and a drunk will bet on anything." However, he said after the shooting of the President, it occurred to him there may have been meaning to the remark and he thought it should be reported to authorities. Recalling, he said the man who was attempting to place the bet was dressed like "a working man", but beyond that he could offer no description. He stated he does not recall a bet was actually made. Further, he advised he does not recall the name of the bar he was in when he heard the remark. He said he frequents bars within a four or five block radius of the Canal Street, New Orleans, La., and he often goes there or those bars on an evening. He thinks this particular bar was just off Canal Street, and he knows he frequently goes to Freddie's Bar and the Straight Day Bar in this area. He said on the particular night he heard the remark, he remembers an ex-Navy friend, Bob TANNER, and TANNER's girl friend were with him. He does not know if either of them heard the bet attempt, and he does not recall that they discussed it. He thinks TANNER and his girl friend may have been away from the table or the booth at the time the remark was made. The man offering the bet was not at a table, but was at the bar. He did not hear anyone call the man by name. He does not know TANNER's New Orleans address and does not know the name of TANNER's girl friend. He said, however, she works as a waitress at the Meal-a-Minute on Canal Street. REILLS, a white male, gave his full name as Robert Collum REILLS, and his address as 2037 Cleveland St., New Orleans, La. He said he is a former Navy quartermaster third class and
his social number is 626-81-38. He stated he is presently employed as an attendant at Mayfield's Gulf Service Station, Canal and Broad Streets, New Orleans, La. He said he generally does not get off from work in the evenings until 2000 at which time he usually visits the bars. He said it was about 2100 or 2200 on the evening in question, when the man attempted to place the bet on the life of the President.

U.S. Naval Hospital authorities at Charleston, S.C., indicated RAMS was at Charleston to undergo an evaluation physical. They stated when results of this physical are compiled, a disability evaluation board will study said results to determine the extent of RAMS' handicap. The authorities advise RAMS' medical problem was mainly orthopedic, however, they said he does have a psychiatric past of "passive-aggressive reaction with hostile tendencies." They stated persons with this psychiatric problem are generally reliable and are considered to be sane.

RAMS was scheduled to return to his home at New Orleans on about November 22, 1963.

Forwarded for information and as a "follow-up" to the telephonic briefing made on November 22, 1963.

Oswald Killing

1. Information from our Dallas office provides names of several persons connected with Ruby and Oswald. Robert Kermit Patterson, admitted 6J (homosexual), contacted resident Agent Dallas about 1330 CST yesterday and said he had information in regard assassination of President Kennedy. Patterson said he and one Donald C. Stuart operated Contract Electronics, 2533 Elm Street, Dallas. About two weeks ago, Jack Ruby/Rubenstein and subject Oswald visited Contract Electronics and wanted work done on microphones at Ruby Carousel Night Club, Dallas. On this occasion Ruby told Oswald to write names of Patterson and Stuart in Carousel guest book. Contract Electronics did the requested mike work at the Carousel and were paid by Negro employees. The Senior Resident Agent at Dallas has taken Patterson to the FBI Dallas for further interrogation. Neither Stuart nor Patterson has discussed above information with anyone else, according to Patterson. The files at DIO 6.D are negative on Stuart.

2. In this office we have a file on Patterson and another person not mentioned in the above message by the name of Tracy Thurlo Pope. Pope is the one that first pointed out Patterson. Patterson was in the Navy and is now out. Pope was in the Navy and is out. Service No. 599 29 44, AA, USA. There is no Navy record on Stuart. This morning we had a meeting here to make sure that everybody is informed and that the FBI is getting everything it needs.

3. The above information certainly raises questions as to Ruby's real motives in killing Oswald. We have all been interested in what seemed to us to be a look of recognition on Oswald's face when he spotted Ruby.

4. This is being kept currently informed of information of the sort contained in paragraphs 1 and 2 above.

Very respectfully,

Rufus L. Taylor

ROBERT KERMIT PATTERSON, commonly known as BOB PATTERSON, appeared at the Dallas Field Division at approximately 1:00 PM on November 28, 1963. PATTERSON advised he resides in Room 511 at the YMCA located at 605 North Ervay Street, Dallas, Texas.

PATTERSON stated that at the present time he is unemployed and is dissolving a partnership which he formerly had with DONALD C. STUART in a business which they operated under the trade name Contract Electronics at 2533 Elm Street, Dallas, Texas. He stated their business was the repair of televisions, radios, and other small appliances. He stated that he and STUART employed one CHARLES ARNDT, age 18, who resided at Room 516 of the YMCA, as a helper.

About two weeks ago PATTERSON stated he returned to his place of business at approximately 3:00 PM. On his arrival in addition to STUART and ARNDT he found JACK RUBY and a man believed by PATTERSON to be LEE HARVEY OSWALD. He stated that he could not recall being introduced to the man with JACK RUBY but has a vague recollection that the other man was introduced as being from Chicago.

PATTERSON estimated that RUBY and the man he believes to be OSWALD were at the Electronics Shop for approximately one hour during which time their general conversation was generally about the buying and selling of electronics equipment. PATTERSON recalled that RUBY questioned STUART about installing some speakers in the Carousel Club where amplifiers were already present.

Sometime during the discussion RUBY told STUART and PATTERSON that he would give them passes to his club. RUBY pointed out that he did not give passes to everybody but that he would make them available to these two men. RUBY then handed what he referred to as a guest book to the man who was with him and instructed that individual to put the names of STUART and PATTERSON in this notebook. PATTERSON stated that he personally observed the man with RUBY write in this notebook.

by Special Agent J. FLANAGAN

Date dictated: 11/26/63

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is leased to your agency; it and its contents are not to be distributed outside your agency.
The book which RUBY referred to as a guest book was described by PATTERSON as having the appearance of a small address book or small notebook, approximately 4 x 5 inches in size. He could not recall the color of the book nor could he recall whether it had a spiral back. PATTERSON stated he could not recall whether the man with RUBY handed the book back to RUBY or kept it himself.

About two days after the visit of RUBY and the man PATTERSON believes to be OSWALD were at the Electronics Shop, RUBY again appeared about 5:00 PM. On this occasion JACK RUBY was alone and brought with him a microphone and cable for repair. PATTERSON was instructed by RUBY to have the microphone and cable ready by 9:00 PM that night. PATTERSON stated he actually returned the microphone and cable to the Carousel at approximately 8:00 PM, and handed it over to a Negro boy employed by the Carousel Club. This individual paid PATTERSON in cash for the work and also paid PATTERSON a 50 cents parking fee which PATTERSON had incurred having parked on a nearby lot.

PATTERSON stated he could not recall seeing anyone else at the club on this occasion other than the Negro boy and possible the Master of Ceremonies.

PATTERSON stated that it is his belief on the basis of the photographs of LEE HARVEY OSWALD which he has observed in various newspapers that OSWALD was in fact the individual present in the Electronics Shop with JACK RUBY on the occasion described above.

PATTERSON stated he has discussed this matter with his partner DONALD C. STUART and employee CHARLES ARNDT and he stated they are likewise of the opinion that LEE HARVEY OSWALD was the individual with JACK RUBY on the occasion described above. According to PATTERSON the man with RUBY in his shop on the occasion set out above was described as follows:

After viewing these photographs PATTERSON selected the photograph of LEE HARVEY OSWALD, New Orleans No. 112723 and stated he believed that this photograph depicted the individual who was present in the Contract Electronics Shop with JACK LUBY on the occasion set out above.
PATTERSON stated that at the present time he is a student at the Metropolitan Technical Institution, 602 North Good-Latimer, Dallas, Texas. He stated he was born on January 24, 1930 at Lincoln, Nebraska, and had the rating of ED-3 while in the US Navy. His US Navy Serial No. is 4278665.

The name of DONALD C. STUART's wife is NANCY and they reside on Pleasant Street, turning left off Second Street while driving away from the downtown area of Dallas, Texas. Their residence is in the first group of apartments on the left hand side of Pleasant Street. He stated the number might possibly be 1314 Pleasant. According to PATTERSON, DONALD C. STUART is a full time employee of Radio Station KLIF, Dallas, Texas. He is employed as a broadcast engineer and is on duty at the station several nights a week.

PATTERSON stated that it is his understanding that DONALD C. STUART has reported this matter to the Dallas Police Department.
